#### 18 MEDIATION

19 39. With substantial investigation, research, discovery, and analysis of the  
20 voluminous data, and a Class-wide damage model extrapolated through the date of mediation,  
21 on April 6, 2021, the Parties attended mediation with Francis "Tripper" Ortman, an  
22 experienced and well-regarded wage and hour class action mediator facilitating the serious  
23 and informed arms'-length negotiations. An agreement could not be reached by the end of the  
24 day, and a Mediator's Proposal was tendered to the Parties. By June 3, 2021, the offer had  
25 been accepted.

#### 26 PLAINTIFFS' CLAIMS

27 40. Plaintiffs have claimed and continue to claim that the Released Claims and  
28 claims for civil penalties under the Private Attorney Generals Act on behalf of the Labor and

1 Workforce Development Agency, have merit and gives rise to the Released Parties' liability.  
2 Neither this Agreement nor any documents referred to, or any action taken to carry out this  
3 Agreement is, or may be construed as or may be used as, an admission by or against the Class  
4 Members or Class Counsel or any Party or Counsel as to the merits or lack thereof of the  
5 claims asserted, except to show resolution of the Released Claims.

6 **NO ADMISSION OF LIABILITY**

7 41. This Agreement represents a compromise and settlement of the Action. Neither  
8 this Agreement, nor any document referred to or contemplated, nor any action taken to carry  
9 out this Agreement may be construed as, or may be used as an admission, concession, or  
10 indication by or against Released Parties that Plaintiffs' claims in the Action have merit or that  
11 they have any fault, wrongdoing, or liability to Plaintiffs or the Class on those claims  
12 whatsoever, including any concession that certification of a class continues to be appropriate in  
13 this case.

14 42. This Agreement is made for the sole purpose of consummating settlement of all  
15 causes of action contained in the First Amended Class and Representative Action Complaint.  
16 By entering into this Agreement, the Parties do not admit the allegations or contentions of the  
17 other Party, and each Party is entering into this Agreement for the sole purpose of resolving  
18 this matter and avoiding the time and expense incident to protracted litigation. Released Parties  
19 specifically deny all of Plaintiffs' claims as to liability and remedies, as well as Plaintiffs' class  
20 and representative allegations, and expressly reserve all rights to challenge all such claims and  
21 allegations upon all procedural and substantive grounds, including the assertion of any and all  
22 defenses if the Court does not approve this Agreement and/or if the Settlement does not  
23 become effective as defined.

24 **INADMISSIBILITY OF SETTLEMENT AGREEMENT**

25 43. Whether or not the Settlement is finally approved, neither the Settlement, nor  
26 any of its terms, nor any document, statement, proceeding, or conduct related to this  
27 Agreement, nor any reports or accounts thereof, shall in any event be:

28 A. Construed as, offered, or admitted in evidence as, received as, or deemed

1 to be evidence for any purpose adverse to the Released Parties, including, but not limited to,  
2 evidence of a presumption, concession, indication, or admission by any of the Released Parties  
3 of any liability, fault, wrongdoing, omission, concession or damage; or

4 B. Disclosed, referred to or offered or received in evidence against any of  
5 the Released Parties, in any further proceeding in the Action, or in any other civil, criminal, or  
6 administrative action or proceeding except for purposes of settling this Action pursuant to the  
7 terms of this Agreement or enforcing the release of the Released Claims.

8 **CERTIFICATION OF THE CLASS FOR SETTLEMENT PURPOSES ONLY**

9 44. The Parties stipulate to certification of the Class only for purposes of the  
10 Settlement. If, for any reason, the Settlement is not finally approved, the stipulation to certify  
11 the Class will be void. The Parties further agree that certification for purposes of the Settlement  
12 is not an admission that class action certification is proper under the standards applied to  
13 contested certification motions and that this Agreement will not be admissible in this or any  
14 other proceeding as evidence that either: (a) a class action should be certified or (b) Defendant  
15 is liable to Plaintiffs or any Class Member, other than according to the Settlement's terms.

16 **FAIRNESS AND BENEFITS OF SETTLEMENT TO THE CLASS**

17 45. Plaintiffs recognize the expense and length of continued proceedings necessary  
18 to continue the litigation against Defendant through trial and through any possible appeals.  
19 Plaintiffs have also taken into account the uncertainty and risk of the outcome of further  
20 litigation, and the difficulties and delays inherent in such litigation, including those involved in  
21 the maintenance of class certification. Plaintiffs are also aware of the burdens of proof  
22 necessary to establish liability for the claims asserted in the Action, Defendant's defenses, and  
23 the difficulties in establishing damages for the Class. Plaintiffs have also considered the  
24 lengthy and significant negotiations facilitated by Mr. Ortman at mediation on April 6, 2021,  
25 and through such time as the mediator's proposal was accepted on June 3, 2021, and beyond to  
26 reach agreement on all terms of this Agreement and exhibits. Based on the foregoing,  
27 Plaintiffs, Class Counsel, Defendant, and Defendant's Counsel have determined that the  
28 Settlement set forth in this Agreement, and its terms, are fair, adequate, equitable and

1 reasonable, the product of good faith, arms-length negotiations between the Parties, are  
2 consistent with public policy, and fully comply with applicable provisions of law, and in the  
3 best interests of all Class Members.

4 **RELEASE AS TO ALL CLASS MEMBERS**

5 46. Plaintiffs do, and all Participating Class Members will, agree that upon the  
6 Effective Date, they shall be deemed to have, and by operation of the Final Approval Order  
7 and Judgment shall have, released the Released Parties from the Released Claims. The  
8 Settlement Payments shall be paid to Participating Class Members specifically in exchange for  
9 the release of the Released Parties from the Released Claims.

10 **RELEASE AS TO THE LABOR AND WORKFORCE DEVELOPMENT AGENCY**

11 47. Pursuant to the requirements of Labor Code sections 2698, *et seq.*, Plaintiff  
12 Alfaro is the designated agent of the California Labor and Workforce Development Agency  
13 (“LWDA”), and is proceeding as a private attorney general, by bringing this enforcement  
14 action to recover civil penalties pursuant to Labor Code sections 201- 203, 204, 205.5, 218.5,

17 aggrieved employees herein defined as PAGA Member(s).

18 48. The Parties agree, and Plaintiff agrees, that upon the Effective Date, the LWDA  
19 shall be deemed to have, and by operation of the Final Approval Order and Judgment shall  
20 have, released the Released Parties from any claim for civil penalties arising out of the  
21 Released Claims or specifically enumerated in the proceeding paragraph.

22 49. As consideration for this release, the LWDA shall receive 75% of the PAGA  
23 Payment, consistent with the requirements of the Labor Code sections 2698, *et seq.*

24 50. PAGA Members shall receive 25% of the PAGA payment consistent with the  
25 requirements of the Labor Code sections 2698, *et seq.*

26 **GENERAL RELEASE BY PLAINTIFFS**

27 51. Plaintiffs will give upon the execution of this Agreement and Effective Date of  
28 Settlement, in addition to the Released Claims given by Participating Class Members, a general

1 release of all claims, known or unknown, based on any fact, condition, or incident occurring  
2 prior to the date of this Agreement against Defendant, including a waiver of rights under  
3 California Civil Code section 1542, which states:

4           A general release does not extend to claims that the creditor or releasing party  
5           does not know or suspect to exist in his or her favor at the time of executing the  
6           release and that, if known by him or her, would have materially affected his or  
7           her settlement with the debtor or released party.

8 Plaintiffs agree to release the Released Parties from all wage and hour claims, including, but  
9 not limited to, unpaid overtime or minimum wages, meal and rest period violations, untimely

23 during the Class Period in relation to the aggregate number of Pay Periods employed by all  
24 Participating Class Members during the Class Period.

25           54.     PAGA Members will receive a share of the \$6,250 PAGA Payment based on  
26 the number of Pay Periods employed during the PAGA Period.

13 they have and provide same to the Administrator for re-mailing of the Notice Packet no later  
14 than three (3) business days of receipt of the updated address.

15                   C.       Class Members will be responsible for keeping the Administrator  
16 apprised of any changes of address to ensure receipt of their Settlement Payment checks. A  
17 Change of Address form and pre-printed return envelope will be included in the Notice Packet.

18                                   **PROCEDURE FOR OBJECTING TO OR REQUESTING EXCLUSION**  
19                                   **FROM THE SETTLEMENT**

20                   58.       Class Members who wish to object to the Settlement or to exclude themselves  
21 from the Class shall use the following procedures:

22                   A.       Procedure for Objecting. All Class Members shall have the right to  
23 submit objections to the Settlement. The Class Notice shall indicate that any Class Member  
24 who wishes to object to the Settlement may return to the Administrator, a written statement  
25 that includes the specific reasons for the objection(s) on or before the Response Deadline.  
26 Class Members may also appear at the time of the Final Approval Hearing without first  
27 submitting a written objection.

28                   B.       Procedure for Requesting Exclusion from the Class. Class Members  
must return a written statement (as directed by the Notice) no later than the Response Deadline

1 stating their intention to opt out of the Class. The written request for exclusion must contain the  
2 Class Member's full name, address, telephone number, last four digits of their social security  
3 number, and be signed by that Class Member. Any Class Member who properly opts out of the  
4 Class using this procedure will no longer be a Class Member, will not be entitled to any  
5 Settlement Payment, and will not be bound by the Settlement or have any right to object,  
6 appeal, or comment thereon. Because there is no right to request exclusion from a settlement  
7 brought pursuant to the PAGA, Class Members who successfully exclude themselves, who are  
8 eligible PAGA Members, will receive their proportionate share of the \$6,250 (25% of the  
9 \$25,000 PAGA Payment) based on the number of Pay Periods they were employed during the  
10 PAGA Period. For this payment, each will release all PAGA claims alleged in the Action.

11 Class Members who do not return a valid and timely request for exclusion in the  
12 manner described in the Class Notice and in this paragraph, will remain in the Class and shall  
13 receive their proportionate share of the NSA (Settlement Payment) and shall be bound by all  
14 terms of the Settlement and any Judgment entered in this Action if the Settlement is approved  
15 by the Court, regardless of whether they ineffectively or untimely request exclusion from the  
16 Settlement, or do not cash their Settlement Payment checks.

17 C. Option to Reject the Settlement. No later than five (5) business days  
18 after the close of the regular or extended Response Deadline, whichever is later, the  
19 Administrator shall provide to Class Counsel and Defendant's Counsel a complete list of all  
20 persons who have timely requested exclusion from the Class, and the number of their Pay  
21 Periods. If Class Members representing more than five (5) percent of the aggregate number of  
22 Pay Periods for the Class submit valid and timely requests for exclusion, either Party will have  
23 the option at their discretion, of rejecting the Settlement in its entirety.

24 Counsel for the Party opting to reject the Settlement, shall make such  
25 election to reject the Settlement in a writing and served on the other Party no later than ten (10)  
26 business days following the issuance of the Administrator's notification of the number of Class  
27 Members who validly requested exclusion from the Class. If Defendant makes this election,  
28 they will assume full responsibility for the payment of the Administrator's fees and costs

1 through the date of their election.

2 D. Plaintiffs' Right to Terminate Agreement. The GSA was negotiated  
3 based on Defendant's records which reflected 154 Class Members who worked 3,137 Pay  
4 Periods during the period from June 7, 2015 through May 1, 2020. If it is determined,  
5 following receipt of the Class List and Data by the Administrator and prior to the mailing of  
6 the Notice of Class Action Settlement, that the number of Pay Periods are more than five (5)  
7 percent greater, the Parties will agree to a good-faith renegotiation of the GSA. Plaintiffs shall  
8 have the right to declare the Settlement null and void if the renegotiation of the GSA is  
9 unsuccessful.

10 **NO SOLICITATION OF SETTLEMENT OBJECTIONS OR EXCLUSIONS**

11 59. The Parties agree to use their best efforts to carry out the terms of this  
12 Agreement. At no time shall any of the Parties or their counsel or agents (or the  
13 Administrator) seek to solicit or otherwise encourage anyone to submit written objections to  
14 the Settlement or requests for exclusion from eligible Class Members, or encourage anyone to  
15 appeal from the Court's Judgment.

16 **CALCULATION OF SETTLEMENT PAYMENTS**

17 **AND TAX OBLIGATIONS PAYMENT**

18 60. The Administrator shall have the authority and obligation to calculate the  
19 amounts of the Settlement Payments in accordance with the methodology set forth in this  
20 Agreement and orders of the Court. Each Participating Class Member will be eligible to  
21 receive a Settlement Payment based upon the total number of his/her Pay Periods employed  
22 during the Class Period in relation to the aggregate number of Pay Periods employed by all  
23 Participating Class Members during the Class Period, e.g.

24 **Settlement Payment = NSA (x)  $\frac{\text{Class Member's Total Number of Pay Periods}}{\text{All Participating Class Members Pay Periods}}$**

25  
26 If the Class Member also worked during the PAGA Period, he or she would be eligible to  
27 receive a proportionate share of the PAGA Payment allocated to them, e.g.:

28 **PAGA Member Payment = \$ 6,250 (x)  $\frac{\text{the PAGA Member's Number of Pay Periods}}{\text{All PAGA Members' Number of Pay Periods}}$**

1           61.     The Parties agree that the formulas for allocating the Settlement Payments to the  
2 Class is reasonable and that the payments are designed to provide a fair settlement to the Class,  
3 despite the uncertainties of the compensation and penalties alleged to be owed to the Class and  
4 the calculation of them.

5           62.     The Parties agree that twenty (20) percent of each Settlement Payment shall be  
6 deemed wages for which the Administrator shall make all ordinary deductions for local, state,  
7 and federal taxes and withholdings or any other applicable payroll deductions, and for which  
8 an IRS W-2 Form will be issued. The Parties further agree that sixty (60) percent of each  
9 Settlement Payment will be deemed the payment of civil penalties, and twenty (20) percent  
10 deemed interest for which IRS 1099 Forms shall be issued. If the Class Member is also an  
11 eligible PAGA Member, the portion representing the civil penalties will be reported as  
12 penalties, and reported on an IRS Form 1099. The IRS W-2 and 1099 Forms shall be provided  
13 to the Participating Class and PAGA Members, and the applicable governmental authorities by  
14 the Administrator.

15           63.     Each Participating Class Member will be responsible for paying all applicable  
16 local, state, and federal taxes on Settlement Payments paid under the terms of this Settlement,  
17 as described above. Each Participating Class Member shall cooperate with Defendant and the  
18 Administrator and provide documentation as requested to demonstrate such payment should  
19 any taxing authority challenge the allocation of the Settlement Payments.

20           64.     It shall be the responsibility of the Administrator or its designee to timely  
21 calculate and withhold from the Settlement Payments all Participating Class Member tax  
22 obligations on the portion allocated as wages; to timely calculate and withhold from the Gross  
23 Settlement Amount the appropriate payroll deductions; to calculate and report to Defendant the  
24 necessary Employer Tax Obligations, and to prepare and deliver the necessary tax  
25 documentation for signature by all necessary parties and, thereafter, to cause the appropriate  
26 deposits of withholding taxes and informational and other tax return filing to occur. Once  
27 received from Defendant, the Administrator shall pay the Employer Tax Obligations arising  
28 out of the Settlement Payments to the appropriate taxing authorities within thirty (30) days of

1 distribution.

2 65. Defendant makes no representations as to the tax treatment or legal effect of the  
3 payments called for hereunder, and Plaintiffs and Participating Class Members are not relying  
4 on any statement or representation by Defendant in this regard. Plaintiffs and Participating  
5 Class Members understand and agree that except for Defendant's payment of the Employer's  
6 Tax Obligation, they will be solely responsible for the payment of any taxes and penalties  
7 assessed on the payments described herein.

8 **ATTORNEYS' FEES AND COSTS PAYMENT AND SERVICE PAYMENT**

9 66. Subject to Court approval, Class Counsel shall be paid up to one-third of the  
10 Gross Settlement Amount, \$291,666.67, as Attorneys' Fees, and up to \$17,500 as  
11 reimbursement of their litigation costs. Class Counsel shall not be permitted to petition the  
12 Court for, or accept, any additional payments for fees or costs. The amounts paid in fees and  
13 costs shall be for all claims for attorneys' fees, expenses, or costs past, present, and future  
14 incurred in litigating the Action. Defendant shall not oppose Class Counsel's Attorneys' Fees  
15 and Costs Payment request in these amounts.

16 67. The Attorneys' Fees and Costs Payment to Class Counsel shall constitute full  
17 satisfaction of any obligation to pay any amounts to any person, attorney, or law firm for  
18 attorneys' fees, expenses, or costs in the Action incurred by any attorney on behalf of the  
19 Plaintiffs and the Class, and shall relieve Released Parties of any other claims or liability to any  
20 other attorney or law firm for any attorneys' fees, expenses, and/or costs to which any of them  
21 may claim to be entitled on behalf of the Plaintiffs and/or the Class.

22 68. Subject to Court approval, Plaintiff Joe Alfaro and Plaintiff Yoni I. Marin  
23 Romero, as Class Representatives shall be paid up to \$10,000 each as Service Payments for  
24 having initiated this Action, work performed in furtherance of the Action, and the risks  
25 associated with the payment of attorneys' fees and costs in the event this matter had not  
26 successfully concluded, for the substantial benefits conferred upon the Class, and a General  
27 Release of all claims. Defendant shall not oppose the Service Payment requests in this  
28 amount. The Service Payment approved by the Court shall be a part of, and paid from, the

1 Gross Settlement Amount. This payment shall not have any state or federal taxes withheld,  
2 and shall be reported on an IRS Form 1099 and provided to the Plaintiffs and applicable  
3 governmental authorities by the Administrator. Plaintiffs shall be responsible for  
4 characterizing this payment for tax purposes and for paying any taxes owing.

5 69. Plaintiffs' Service Payment will be paid in addition to their respective  
6 Settlement Payments.

### 7 **PAGA PAYMENT**

8 70. The Parties have allocated Twenty-Five Thousand Dollars (\$25,000) to settle  
9 the claims of the Class under Labor Code § 2699. Labor Code § 2699(i) requires any  
10 settlement under this section be distributed 75% to the California's Labor Workforce  
11 Development Agency ("LWDA") for enforcement of labor laws and education of employers,  
12 and 25% to the PAGA Members. Accordingly, \$18,750 will be issued and paid to the LWDA,  
13 and the remaining \$6,250 will be distributed on a proportional basis to all PAGA Members.

### 14 **DEFENDANT'S LEGAL FEES**

15 71. All of Defendant's own legal fees, costs, and expenses incurred in the Action as  
16 well as the employment related taxes normally paid by an employer shall be borne by  
17 Defendant.

### 18 **FINAL APPROVAL HEARING AND ENTRY OF ORDER AND JUDGMENT**

19 72. Following the Response Deadline, and on a date set by the Court as reflected in  
20 the Court's Preliminary Approval Order, the Court shall conduct a Final Approval Hearing.  
21 The Parties shall present the Final Approval Order and the Judgment to the Court, in a form  
22 substantially similar to **Exhibit 4**, for its approval and entry.

### 23 **PROCEDURE FOR PAYMENT OF SETTLEMENT PAYMENTS**

24 73. Following Final Approval, and solely for purposes of this Agreement, the  
25 Settlement Payments shall be distributed in accordance with the following eligibility  
26 requirements:

27 A. Participating Class and PAGA Members. All Participating Class and  
28 PAGA Members shall receive a Settlement Payment under the plan of allocation and will be

1 bound by the terms of the Settlement and any order or judgment entered by the Court  
2 approving this Settlement.

3 B. Class Members Who Request Exclusion. Those Class Members who  
4 return valid and timely requests for exclusion will no longer be a member of the Class, are not  
5 Participating Class Members, are not entitled to any Settlement Payment, and will not be  
6 bound by this Settlement or any order or judgment entered by the Court approving this  
7 Settlement. However, if the Class Member is also an eligible PAGA Member, he or she shall  
8 receive a proportionate share of the \$6,250 PAGA Payment and will release all PAGA Claims  
9 alleged in the Action because PAGA Members, under the law, have no right to opt out of a  
10 PAGA Settlement.

11 74. Settlement Payments to Participating Class Members shall be paid pursuant to  
12 the formula and at the times set forth in this Agreement. The Administrator's determination of  
13 eligibility for, and the calculations of, any Settlement Payments under the terms of this  
14 Agreement, shall be conclusive, and binding on all Parties, including all Class Members,  
15 subject to the Court's final determination.

16 75. Any Settlement Payment checks issued to Participating Class Members shall  
17 remain valid and negotiable until 180 calendar days after the date of issuance of the Settlement  
18 Payment checks, and will thereafter be canceled if not cashed within that time. However, 30  
19 calendar days after the issuance of the Settlement Payment checks, the Administrator will mail  
20 a postcard to all member of the Class, who have not by that date, cashed their checks  
21 reminding them of the void date. All sums represented by uncashed and voided checks will be  
22 transmitted, in equal parts, to two nonprofit 501(c)(3) organizations providing free legal  
23 services: (1) Bet Tzedek, ([www.Bettzedek.org](http://www.Bettzedek.org)), and (2) California Rural Legal Assistance,  
24 ([www.CRLA.org](http://www.CRLA.org)). Counsel for the Parties have no interest in, or affiliation with these two  
25 designated nonprofit entities.

26 76. No person shall have any claim against the Released Parties, Defendant's  
27 Counsel, the Plaintiffs, the Class, Class Counsel, or the Administrator based on mailings,  
28 calculations, distributions and payments made in accordance with or pursuant to this

1 Agreement.

2 **NULLIFICATION OF SETTLEMENT AGREEMENT**

3 77. In the event: (a) the Court does not enter any Order as requested; (b) the Court  
4 does not finally approve the Settlement; (c) the Court does not enter a Judgment which  
5 becomes final as a result of the occurrence of the Effective Date of Settlement; or (d) the  
6 Settlement does not become effective for any other reason, including either Parties' election to  
7 reject the Settlement in the event that Class Member representing more than five percent (5%)  
8 of the Class' Pay Periods timely request exclusion, or an objection which is sustained in the  
9 trial court and on all appeals, or Plaintiffs elect to rescind the Settlement in the event that the  
10 Pay Periods are exceeded by five (5) percent as set forth in this Agreement, this Agreement  
11 shall be null and void and any order or judgment entered by the Court in furtherance of this  
12 Settlement shall be treated as withdrawn or vacated by stipulation of the Parties. In such a  
13 case, the Parties shall be returned to their respective statuses as of the date and time  
14 immediately before the execution of this Agreement, and the Parties shall proceed in all  
15 respects as if this Agreement had not been executed. In the event an appeal is filed from the  
16 Court's Judgment, or any other appellate review is sought prior to the Effective Date,  
17 administration of the Settlement shall be stayed pending final resolution of the appeal or other  
18 appellate review.

19 **NOTIFICATION AND CERTIFICATION BY ADMINISTRATOR**

20 78. The Administrator shall keep Counsel for the Parties apprised of all  
21 distributions of Settlement Payments and upon completion of administration of that portion of  
22 the Settlement, the Administrator shall provide written certification of progress of such  
23 completion to counsel for all Parties and the Court as requested.

24 **NO EFFECT ON EMPLOYEE BENEFITS**

25 79. The Settlement Payments issued and paid to Participating Class Members and  
26 the Service Payments issued and paid to Plaintiffs shall be deemed not to be "pensionable"  
27 earnings and shall not have any effect on the eligibility for, accrual of, or calculation of, any of  
28 the employee benefits (*e.g.* vacations, holiday pay, retirement plans, 401K, Employee Stock

1 Purchase Plan, etc.) of the Plaintiffs or Participating Class Members. The Parties agree that any  
2 Settlement Payments to Participating Class Members and the Service Payments under the  
3 terms of this Agreement do not represent any modification of Participating Class Members'  
4 previously credited hours of service or other eligibility criteria under any employee stock  
5 purchase plan, employee pension benefit plan, or employee welfare benefit plan sponsored by  
6 Defendant. Further, any Settlement Payments or Service Payments shall not be considered  
7 "compensation" in any year for purposes of determining eligibility for, or benefit accrual  
8 within, an employee stock purchase plan, employee pension benefit plan, or employee welfare  
9 benefit plan sponsored by Defendant.

10 **GENERAL PROVISIONS**

11 80. Exhibits. The terms of this Agreement include the terms included in **Exhibits**  
12 **1-4**, which are incorporated by reference as though fully set forth. Any exhibits to this  
13 Agreement are an integral part of the Settlement. Any changes to exhibits following  
14 preliminary approval by the Court, shall be approved by all Parties, but shall not be re-  
15 submitted to the Court if changes are minor, clerical, and do not materially alter the originally  
16 submitted documents.

17 81. Headings. The descriptive headings of any paragraphs or sections of this  
18 Agreement are inserted for convenience of reference only and do not constitute a part of this  
19 Agreement.

20 82. Interim Stay of Proceedings. The Parties agree to hold all proceedings in the  
21 Action, except such proceedings necessary to implement and complete the Settlement, in  
22 abeyance pending the Final Approval Hearing to be conducted by the Court.

23 83. Amendment or Modification. This Agreement may be amended or modified  
24 only by a written instrument signed by counsel for all Parties or their successors-in-interest.

25 84. Entire Agreement. This Agreement and any attached Exhibits constitute the  
26 entire agreement among these Parties, and no oral or written representations, warranties,  
27 inducements, or covenants have been made to any Party concerning this Agreement or its  
28 Exhibits other than the representations, warranties, inducements, and covenants contained and

1 memorialized in such documents. All prior or contemporaneous negotiations, agreements,  
2 understandings, and representations, whether written or oral, are expressly superseded and are  
3 of no further force and effect. Each of the Parties acknowledges that it has not relied on any  
4 promise, representation, or warranty, express or implied, not contained in this Agreement.

5       85. Authorization to Enter Into Settlement Agreement. Counsel for all Parties  
6 warrant and represent that they are expressly authorized by the Parties whom they represent to  
7 negotiate this Agreement and to take all appropriate action required or permitted to be taken by  
8 such Parties pursuant to this Agreement to effectuate its terms, and to execute any other  
9 documents required to effectuate the terms of this Agreement. The Parties and their counsel  
10 will cooperate with each other and use their best efforts to effectuate the implementation of the  
11 Settlement. In the event the Parties are unable to reach agreement on the form or content of any  
12 document needed to implement the Settlement, or on any supplemental provisions that may  
13 become necessary to effectuate the terms of this Settlement, the Parties may seek the assistance  
14 of the Mediator or the Court to resolve such disagreement.

15       86. Binding Agreement. Subject to the limitations in Paragraph 82, the Parties  
16 intend that this agreement shall be fully enforceable and binding on all Parties, including  
17 Participating Class Members, and that it shall be admissible and subject to disclosure in any  
18 proceeding to enforce its terms, notwithstanding the mediation confidentiality provisions that  
19 otherwise might apply under federal or state law. The Parties further agree that this  
20 Agreement is enforceable pursuant to California Code of Civil Procedure section 664.6.

21       87. Binding on Successors. This Agreement shall be binding upon, and inure to the  
22 benefit of, the heirs, beneficiaries, or successors of the Parties.

23       88. Assignment. None of the rights, commitments, or obligations recognized under  
24 this Agreement may be assigned by any Party, Class Member, or Counsel for the Parties  
25 without the express written consent of each other Party and their respective counsel. The  
26 representations, warranties, covenants, and agreements contained in this Agreement are for the  
27 sole benefit of the Parties under this Agreement, and shall not be construed to confer any right  
28 or any remedy to any other person.

1           89.    California Law Governs. All terms of this Agreement and the Exhibits shall be  
2 governed by and interpreted according to the laws of the State of California.

3           90.    Venue. Any adjudicated dispute regarding the interpretation or validity of or  
4 otherwise arising out of this Agreement, or relating to the Action or the Released Claims, shall  
5 be subject to the exclusive jurisdiction of the Court in which the Parties seek approval of this  
6 Settlement, and the Plaintiffs, Class Members, and Defendant agrees to submit to the personal  
7 and exclusive jurisdiction and venue of that Court.

8           91.    Counterparts. This Agreement may be executed in one or more counterparts.  
9 All executed counterparts and each of them shall be deemed to be one and the same instrument.

10          92.    Facsimile and Electronic Signatures. A signed facsimile or electronic version of  
11 this Agreement shall have the same force and effect as a signed original of this Agreement.

12          93.    Jurisdiction of the Court. The Court shall retain jurisdiction solely with respect  
13 to the interpretation, implementation, and enforcement of the terms of this Agreement and all  
14 orders and judgments entered in connection with the Agreement, and the Parties and their  
15 counsel submit to the jurisdiction of the Court for purposes of interpreting, implementing, and  
16 enforcing this Agreement and all related orders and judgments entered in connection. In the  
17 event judicial intervention or enforcement is necessary, the prevailing Party shall be entitled to  
18 an award or attorneys' fees, costs and interest.

19          94.    Cooperation and Drafting. Each of the Parties has cooperated in the drafting  
20 and preparation of this Agreement; and the drafting of this Agreement shall not be construed  
21 against any of the Parties.

22          95.    Invalidity of Any Provision. The Parties request that before declaring any  
23 provision of this Agreement invalid, the Court shall first attempt to construe all provisions  
24 valid to the fullest extent possible consistent with applicable precedents.

25          96.    Plaintiffs' Waiver of Right to be Excluded and Object. Plaintiffs agree to sign  
26 this Agreement and by signing this Agreement are bound by the terms stated and further agree  
27 not to request to exclusion from the Class and agree not to object to any of the terms of this  
28 Agreement. Any such request for exclusion or objection shall be void and of no force or effect.

1 IN WITNESS THEREOF, the Parties hereto have so agreed.
