II. LITIGATION BACKGROUND

40. On or about June 25, 2020, Plaintiff filed with the LWDA a PAGA notice letter which stated that Plaintiff intended to seek civil penalties against Urban for various violations of the California Labor Code and Industrial Welfare Commission (“IWC”) Wage Orders. On September 1, 2020, Plaintiff filed her initial complaint against Urban in the Los Angeles County Superior Court. On December 9,

2020, Plaintiff filed a First Amended Complaint.

41. Within 5 days of execution of this Settlement Agreement, the Parties will request leave from the Court for Plaintiff to file the proposed Second Amended Complaint as set forth in Section IV.D. The proposed Second Amended Complaint (“Complaint”) asserts class and representative action claims under California law for (1) failure to pay minimum wage, (2) failure to pay overtime or pay overtime at the correct rate of pay, (3) failure to pay for all hours worked (off-the-clock work), (4) failure to provide meal periods, (5) failure to provide rest periods, (6) failure to pay premiums at the correct rate of pay, (7) failure to timely pay final wages and wages earned during employment, (8) failure to provide accurate itemized wage statements, and (9) failure to maintain accurate and complete records.

42. Urban denies Plaintiff’s claims, and asserts that Urban has complied with all applicable labor laws. Consequently, Urban does not believe that any liability to Plaintiff, the State of California or the LWDA, or to any other individual whom Plaintiff seeks to represent exists, or that Plaintiff, the State of California or the LWDA, or any other any other individual whom Plaintiff seeks to represent are entitled to any recovery in the Action.

43. On May 26, 2022, the Parties participated in a mediation with experienced mediator Michael D. Young, Esq. After the mediation, the Parties accepted a mediator’s proposal as to certain material terms of the Settlement, including the Maximum Settlement Amount. The terms of the settlement are now set forth in complete and final form in this Settlement.

44. Neither this Settlement, nor any final judgment pursuant to this Settlement, will constitute an admission of any form of wrongdoing or liability on the part of Urban or the accuracy of any allegation raised in the Action. This Settlement is entered into in compromise of disputed claims. Plaintiff and Urban intend, by their actions pursuant to this Settlement, merely to avoid the expense, delay, uncertainty, and burden of litigation. This Settlement and any related court documents or orders may not be cited or otherwise admitted as evidence of liability. There has been no final determination by any Court as to the merits of the Action.

45. It is the intention of the Parties that this Settlement Agreement will constitute a full and complete settlement and release of the claims averred in the Action by the Plaintiff individually, on behalf

of the Class Members, and as the authorized proxy and agent of the State of California and the LWDA on behalf of all PAGA Members pursuant to PAGA. This release includes in its effect a release of all the Urban Releasees.

III. JURISDICTION AND VENUE

46. This Court has jurisdiction over the Parties and the subject matter of this Settlement. This Court will have continuing jurisdiction over the terms and conditions of this Settlement Agreement, until all payments and obligations provided for herein have been fully executed.

IV. TERMS OF SETTLEMENT

47. NOW, THEREFORE, in consideration of the mutual covenants, promises, and undertakings set forth herein, the Parties agree, subject to the Court's approval, as follows:

A. Non-Admission of Liability

48. Nothing in this Settlement Agreement, or any communications, papers, or orders related to this Settlement Agreement, will be construed to be or deemed an admission by the Urban Releasees of any liability, culpability, negligence, or wrongdoing toward the Plaintiff, the Class Members, the PAGA Members, or any other person, and the Urban Releasees specifically disclaim any liability, culpability, negligence, or wrongdoing toward the Plaintiff, the Class Members, the PAGA Members, or any other person. Urban also maintains that, for any purpose other than settlement, the claims alleged in the Action are not suitable or appropriate for class and/or representative action treatment or manageable pursuant to California Code of Civil Procedure Section 382, California Labor Code § 2698 *et seq.*, or any other applicable laws or rule(s). Each of the Parties has entered into this Settlement Agreement with the intention to avoid further disputes and litigation with the attendant inconvenience, expenses, and contingencies, including in the Action. This Settlement Agreement and any communications, papers, or orders related to the Settlement Agreement may not be cited or otherwise admitted as evidence of liability, whether in the Action or elsewhere. There has been no final determination by any Court as to the merits of the claims asserted by Plaintiff against Urban. Furthermore, nothing in this Settlement Agreement will be considered any form of waiver of any applicable alternative dispute resolution policy, and Urban expressly does not waive any right to enforce arbitration agreements and class, collective, and

representative action waivers in any other circumstance.

B. Certification

49. The Parties stipulate, for settlement purposes only, to the certification of the Class described in Paragraph 4 above as to all claims asserted in the Complaint pursuant to state law. If for any reason the Court does not approve this Settlement, fails to enter the Final Approval Order, or fails to enter the Judgment or Final Judgment, or if this Settlement Agreement and Stipulation is lawfully terminated for any other reason, Urban shall retain the absolute right to dispute the propriety of class certification and/or the ability of this action to proceed as a representative action on all applicable grounds.

50. The Parties further stipulate that, for settlement purposes only, Plaintiff's Counsel may be appointed Class Counsel and that Named Plaintiff may be appointed as Class Representative. Urban's stipulation to this settlement class shall in no way be considered any form of waiver of any form of alternative dispute resolution. Urban's stipulation to this settlement class shall not be construed as an admission or acknowledgment of any kind that any class should be certified or given class action treatment. The Settlement Class may be provisionally certified as a class action for the purposes of the monetary relief provided in this Settlement Agreement. Plaintiff's Counsel may be preliminarily and conditionally appointed as Class Counsel.

C. Non-Approval By The Court

51. In the event that this Settlement Agreement is not approved by the Court, fails to become effective, is reversed, withdrawn or modified by the Court:

- (a) The Settlement Agreement will have no force or effect, other than the confidentiality provisions in Section XII and the non-admission provisions in Paragraph 48;
- (b) The Settlement Agreement will not be admissible in any judicial, administrative or arbitral proceeding for any purpose or with respect to any issue, substantive or procedural;
- (c) None of the parties to this Settlement Agreement will be deemed to have waived any claims, objections, defenses or arguments with respect to the merits of

Plaintiff's claims; and

- (d) Urban does not waive, and instead expressly reserves its rights to challenge the propriety of the Action proceeding as a class and/or representative action.

D. Second Amended Complaint

52. Within 5 days after the execution of this Settlement Agreement, the Parties will file a joint stipulation with the Court requesting leave for Plaintiff to file the proposed Second Amended Complaint attached as Exhibit B, which adds class action claims and allegations comporting with the scope of the Released Class Claims.

E. Settlement Payments

53. Urban agrees to pay a Maximum Settlement Amount of Two Million Five Hundred Thousand Dollars (\$2,500,000), inclusive of (a) all settlement payments to Class Members; (b) all PAGA penalty settlement payments to the LWDA and PAGA Members; (c) any award of attorneys' fees and out-of-pocket litigation costs and expenses to Plaintiff's Counsel; (d) any award of a Service Enhancement; and (e) all payroll taxes and other applicable taxes for the settlement payments, excluding Urban's share of employer taxes on the amounts allocated to wages which will be paid separately from and in addition to the Maximum Settlement Amount. The parties specifically agree, subject to Court approval, to the following allocations to be paid from the Maximum Settlement Amount:

- (a) From the Maximum Settlement Amount, Plaintiff's Counsel may seek from the Court attorneys' fees up to 35% of the Maximum Settlement Amount, and actual litigation costs and expenses up to \$25,000. Urban will not oppose Plaintiff's application up to these amounts so long as Plaintiff and Plaintiff's counsel are not in breach of the Settlement Agreement.
- (b) From the Maximum Settlement Amount, Plaintiff's Counsel may seek from the Court a Service Enhancement award to Plaintiff not to exceed \$15,000, which Urban will not oppose so long as Plaintiff and Plaintiff's counsel are not in breach of the Settlement Agreement.
- (c) From the Maximum Settlement Amount, Settlement Administration Expenses in

a reasonable amount not to exceed \$30,000.

- (d) From the Maximum Settlement Amount, a payment of \$75,000.00 to the LWDA (the LWDA PAGA Penalty Amount), representing the LWDA's 75% share of the settlement attributable to PAGA penalties.
- (e) From the Maximum Settlement Amount, a payment of \$25,000.00 to be allocated among PAGA Members based on PAGA Members' eligible employee service time for Covered PAGA Pay Periods, as reflected on Urban's internal records (the PAGA Group Payment). Individual PAGA Group Payments will be calculated as follows: the numerator shall be the number of the PAGA Member's individual Covered PAGA Pay Periods; the denominator shall be the total Covered PAGA Pay Periods for all PAGA Members; this fraction shall be multiplied by the total PAGA Group Payment amount.
- (f) From the Net Settlement Amount (*i.e.*, the remainder of the Maximum Settlement Amount, including interest accruing to it, after payments have been made for attorneys' fees and litigation expenses, the Service Enhancement, the Settlement Administration Expenses, the LWDA PAGA Penalty Amount, and the PAGA Group Payment), Class Settlement Payments will be calculated based on Class Members' eligible employee service time for Covered Class Workweeks, as reflected on Urban's internal records. Individual Class Settlement Payments will be calculated as follows: the numerator shall be the number of the Class Member's individual Covered Class Workweeks; the denominator shall be the total Covered Class Workweeks for all Class Members; this fraction shall be multiplied by the Net Settlement Amount.
- (g) If the Court approves a lesser amount of attorneys' fees and litigation costs or the Service Enhancement, than the amount sought by Plaintiff and Plaintiff's Counsel, any amount disallowed by the Court will be added to the Net Settlement Amount to be distributed in pro rata shares to the Settlement Class

Members; or, in the event Plaintiff and Plaintiff's counsel appeal an order reducing the requested amount of attorneys' fees and litigation costs or the Service Enhancement, then any amount not approved by the Court will not be added to the Net Settlement Amount and after the resolution of the appeal any amount not approved will be distributed by *cypres* to Legal Aid. The Parties agree that the Settlement Agreement will remain binding with such modification(s) as ordered by the Court, and its terms will be otherwise unchanged. This Settlement is not conditioned upon the Court's approval of Plaintiff's Counsel's petition for attorneys' fees and litigation costs or the amount of any Service Enhancement awards.

- (h) The Settlement Administrator will disburse monies from the Maximum Settlement Amount as and when authorized in this Settlement Agreement and by order of the Court, will file and issue any necessary tax reporting documents, and will inform the Parties and (as required) the Court of its fulfillment of the duties imposed by this Settlement Agreement.
- (i) The Settlement Administrator will issue settlement checks to the Settlement Class Members, PAGA Members, and the LWDA under this Settlement Agreement, as well as the Service Enhancement to the Plaintiff and attorneys' fees and costs awarded to Plaintiff's Counsel, by sending such payments by mail or other reliable means to the respective recipients as specified below.

F. Objections

54. Only Settlement Class Members who do not opt-out may object to the non-PAGA portion of the Settlement. Class Members who opt-out of the Settlement and PAGA Members are not eligible to object. All objections must be sent no later than forty-five (45) days after the mailing of the Class Notice, and such deadline applies notwithstanding any argument regarding non-receipt of the notice. Anyone who fails to send timely written objections in this manner shall be deemed to have waived any objections and shall be foreclosed from filing any appeal from any Final Approval Order

issued by the Court. The Parties may file a response to any objections submitted by objecting Class Members at or prior to the Final Approval Hearing. Class Members shall be permitted to withdraw their objections in writing by submitting a withdrawal statement to the Settlement Administrator not later than one (1) business day prior to the Final Approval Hearing, or as otherwise ordered by the Court.

G. Opt-Outs

55. Class Members who wish to “opt out” of and be excluded from the non-PAGA portion of this settlement must submit a written Request for Exclusion from the Settlement bearing a post-mark from a date within the Claims Period. Class Members are still bound by the release of PAGA claims even if they submit a valid Request for Exclusion and will receive a check with his or her individual payment from the PAGA Group Payment. The Request for Exclusion must include: (a) the Class Member’s name; (b) a statement that the Class Member desires to exclude himself or herself from the case; and (c) the last four digits of the Class Member’s social security number. If a Class Member submits a Deficient Request for Exclusion, the Settlement Administrator shall notify the Class Member of the deficiency within five (5) business days of receipt. The Class Member shall have until the end of the Claims Period or five (5) business days after the close of the Claims Period if the notice of deficiency is sent by the Settlement Administrator within (5) business days of the end of the Claims Period to cure said deficiencies, at which point his or her Request for Exclusion will be rejected if not received. Class Members submitting untimely or Deficient Requests for Exclusion shall be bound by the Settlement and its releases and will be considered Settlement Class Members for settlement distribution purposes. Class Members shall be permitted to rescind their Request for Exclusion in writing by submitting a rescission statement to the Settlement Administrator not later than one (1) business day prior to the Final Approval Hearing, or as otherwise ordered by the Court. The Settlement Administrator shall not accept Late Requests for Exclusion without the written authorization of Urban.

H. Released Class Claims

56. Upon Urban’s transfer of the Maximum Settlement Amount and the amount of Urban’s share of applicable employer payroll taxes on the wage-portion of the Class Settlement Payments to the Settlement Administrator, each Class Member who has not opted out of the Settlement and the Class

Representative shall be deemed to have fully, finally, and forever released Urban Releasees from all Released Class Claims as set forth in Section VII. Plaintiff, in conjunction with her requesting her Service Enhancement, also will enter into the General Release as set forth in Section VII.B.

I. Released PAGA Claims

57. Upon Urban's transfer of the Maximum Settlement Amount and the amount of Urban's share of applicable employer payroll taxes on the wage-portion of the Class Settlement Payments to the Settlement Administrator, Plaintiff individually, and the State of California, the LWDA, and all PAGA Members, through Plaintiff acting as the proxy and agent for the State of California and the LWDA and as a Private Attorney General acting on behalf of all allegedly aggrieved current and former employees of Urban, will be deemed to have fully, finally, and forever released the Urban Releasees from all Released PAGA Claims as set forth in Section VII.

J. Entry of Judgment

58. At the Final Approval Hearing, the Parties will request that the Court, among other things: (a) finally certify the Settlement Class for purposes of settlement only; (b) enter a Final Approval Order in accordance with the terms of this Settlement Agreement; (c) approve the settlement as fair, adequate, reasonable, and binding on all Settlement Class Members; and (d) enter an order and final judgment as to all claims released by this Settlement Agreement.

V. SETTLEMENT ADMINISTRATION

A. Settlement Administrator Duties

59. The Settlement Administrator will create a Qualified Settlement Fund ("QSF"), to be funded by the Maximum Settlement Amount paid by Urban and administered by the Settlement Administrator. The Settlement Administrator shall have control over the distribution of funds from the QSF, once funded. With respect to the QSF, the Settlement Administrator shall: (1) satisfy all federal, state and local and income and other tax reporting, return, and filing requirements with respect to the QSF and any interest or other income earned by the QSF; and (2) satisfy out of the QSF all fees, expenses and costs incurred in connection with the opening and administration of the QSF and the performance of its duties and functions as described in this Settlement Agreement. The aforementioned fees, costs and

expenses shall be treated as and included in the costs of administering the QSF and as Settlement Administration Expenses. The Parties agree to cooperate with the Settlement Administrator and one another to the extent reasonably necessary to carry out the provisions of this Section. If the Court does not enter the Final Approval Order and Judgment or if the Effective Date does not occur, Urban shall not be obligated to wire the aforementioned funds.

60. Pursuant to the terms of this Settlement Agreement, the Settlement Administrator will be responsible for and the Maximum Settlement Amount will cover: (a) calculating each Class Member's potential recovery of the Net Settlement Amount and the PAGA Group Payment; (b) preparing and mailing to all Class Members the Class Notice with estimated individual Class Settlement Payment and PAGA Group Payment amounts, and instructions on how to opt out of or object to the non-PAGA portion of the Settlement, and will take appropriate steps to trace, update and locate any individual Class Members whose address or contact information as provided to the Settlement Administrator is inaccurate or outdated; (c) receiving and serving on Class Counsel and Urban's Counsel, and the Court, Requests for Exclusion and any withdrawal and rescission statements; (d) providing to Class Counsel and Urban's Counsel a weekly report of activity; (e) establishing a toll free telephone line and responding to inquiries and requests for information or assistance from Class Members; (f) determining and paying the final amounts due to be paid to Settlement Class Members and PAGA Members after adjustment for funds due to Class Members who opt out of the settlement; (g) reporting to Class Counsel, Urban's Counsel, and the Court regarding the completion of the tasks identified in this paragraph; and (h) carrying out other related tasks including the proper maintenance of the QSF and reporting required for that account, in accordance with the terms of this Settlement Agreement.

61. All disputes relating to the Settlement Administrator's ability and need to perform its duties will be referred to the Court, if necessary, which will have continuing jurisdiction over the terms and conditions of this Settlement Agreement, until all payments and obligations contemplated by the Settlement Agreement have been fully executed.

62. When and if the Court grants Final Approval of the Settlement, and the Settlement Effective Date as defined herein has passed, the Settlement Administrator shall prepare a final list of all

Settlement Class Members and PAGA Members. The Settlement Administrator shall provide this list to Urban's counsel within 7 days after the Settlement Effective Date. For each Settlement Class Member and PAGA Member on this list, the Settlement Administrator will re-calculate the amounts due to each Settlement Class Member and PAGA Member and issue checks payable to said Settlement Class Members and PAGA Members.

63. Except for the Service Enhancement described above to be paid to the Class Representative, all Class Settlement Payments to Settlement Class Members shall be allocated as follows: 50% of each individual settlement payment as unpaid wages, which will be reported on an IRS Form W-2 with applicable withholdings; and 50% of each individual settlement payment as non-wage recovery, including interest and penalties, which will be reported on an IRS Form 1099 without withholdings. All PAGA Group Payments will be allocated entirely to statutory penalties and will be reported on an IRS Form 1099 without withholdings. Urban is responsible for paying the employer tax contributions on the amounts allocated as unpaid wages as required by law. The Class Representative and Settlement Class Members must pay their own portion of payroll and all applicable income taxes on the 50% of the Class Settlement Payment that is unpaid wages, and such amounts will be withheld from the individual settlement payments. The Class Representative and Settlement Class Members shall be exclusively liable for any and all tax liability on the amounts allocated as non-wage recovery. The Settlement Administrator shall be responsible for the timely reporting and remitting of the Employer Payroll Tax Payment to the appropriate taxing authorities and shall indemnify Urban for any penalty arising out of an incorrect calculation and/or interest with respect to late payment of the same. All Parties represent that they have not received, and shall not rely on, advice or representations from other Parties or their agents or attorneys regarding the tax treatment of payments under federal, state, or local law.

64. The Service Enhancement to the Class Representative shall be treated as compensation for non-wage related claims and injuries, and shall be reported on an IRS Form 1099 without withholdings.

65. All portions of Class Settlement Payments to Named Plaintiff and/or Settlement Class Members that are allocated as unpaid wages under this Settlement Agreement shall be considered

compensation for disputed wages of Class Members during the period of employment with Urban. To the extent any individual settlement payment results in any overpayment of unemployment benefits to the Named Plaintiff and/or any Settlement Class Member, the amount of any such overpayment shall be the responsibility of the individual Named Plaintiff and/or Settlement Class Member.

66. Each Party to this Settlement Agreement (for purposes of this section, the “acknowledging party” and each Party to this Agreement other than the acknowledging party, an “other party”) acknowledges and agrees that (1) no provision of this Settlement Agreement, and no written communication or disclosure between or among the Parties or their attorneys and other advisers, is or was intended to be, nor shall any such communication or disclosure constitute or be construed or be relied upon as, tax advice within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended); (2) the acknowledging party (a) has relied exclusively upon his, her, or its own, independent legal and tax counsel for advice (including tax advice) in connection with this Settlement Agreement, (b) has not entered into this Settlement Agreement based upon the recommendation of any other party or any attorney or advisor to any other party, and (c) is not entitled to rely upon any communication or disclosure by any attorney or advisor to any other party to avoid any tax penalty that may be imposed on the acknowledging party; and (3) no attorney or advisor to any other party has imposed any limitation that protects the confidentiality of any such attorney’s or adviser’s tax strategies (regardless of whether such limitation is legally binding) upon disclosure by the acknowledging party of the tax treatment or tax structure.

67. After all payments have been disbursed from the QSF, the Settlement Administrator shall dissolve the QSF and file a return (SF-1120) with the IRS.

B. Notice to Class Members

68. Within twenty-one (21) days after the Preliminary Approval Date, Urban shall provide to the Settlement Administrator information in electronic format regarding all Class Members, including name(s), last known residence addresses, Social Security numbers, and dates worked for Covered Class Workweeks. Class Member data shall only be used by the Settlement Administrator for the purpose of calculating settlement shares and finding and notifying Class Members of the settlement. Class Member

data will be subject to the Settlement Administrator's confidentiality agreement and shall not be disclosed to the Named Plaintiff, Class Counsel, or any other Class Members without the written consent of Urban, except that Urban will authorize the Settlement Administrator on a case-by-case basis to provide to Plaintiff's Counsel information necessary to field any questions or address any challenges raised by a specific Class Member.

69. Prior to mailing the Class Notice, the Settlement Administrator will update the addresses for the Class Members using the National Change of Address database and other available resources deemed suitable by the Settlement Administrator. Any returned envelopes from the initial mailing with forwarding addresses will be used by the Settlement Administrator to locate Class Members and re-mail the Class Notice to the correct or updated address. The Settlement Administrator will use all appropriate tracing methods, including skip tracing, to ensure that the Class Notice is received by Class Members. The Settlement Administrator shall also take reasonable steps including skip tracing to locate any Class Member whose Class Notice is returned as undeliverable.

70. Within thirty (30) days of receiving the Class Member data from Urban and after it has completed all of the address updates for Class Members, the Settlement Administrator shall mail the Class Notice to Class Members. At least five (5) business days prior to this mailing, the Settlement Administrator shall provide Urban with a report listing the estimated settlement payment amounts to each Class Member.

71. Class Members shall have forty-five (45) days from the date of mailing of the Class Notice to opt out of the Class or object to the Settlement. If the 45th day falls on a Sunday or holiday, the deadline will be the next business day that is not a Sunday or holiday. After recalculating estimated settlement allocations to account for opt-outs, Settlement Class Members and PAGA Members will receive their allocation from the settlement fund agreed upon pursuant to this Settlement Agreement and calculated by the Settlement Administrator.

72. All Settlement Administration Expenses shall come out of the Maximum Settlement Amount.

VI. CALCULATION AND DISTRIBUTION OF SETTLEMENT PAYMENTS

A. Calculation of Settlement Amounts

73. The Settlement Administrator shall calculate pro rata Class Settlement Payments out of the Net Settlement Amount to Class Members as described in Paragraph 53 of this Agreement, and based on Urban's internal records. The Settlement Administrator also shall calculate pro rata individual PAGA Group Payments to PAGA Members as described in Paragraph 53 of this Agreement, and based on Urban's internal records.

74. In addition, Urban, through the Settlement Administrator, shall also make a payment to the California LWDA for the LWDA PAGA Penalty Amount as consideration for the release of all PAGA claims that are the subject of the Action on behalf of the State of California.

B. Eligibility for Settlement Payments

75. Class Members who have not opted out of the settlement will be considered Settlement Class Members eligible to receive a Class Settlement Payment. Only Settlement Class Members will be eligible to receive a Class Settlement Payment.

76. Each Class Notice mailed to a Class Member will identify his or her dates of employment for the Covered Class Workweeks and Covered PAGA Pay Periods that Urban's records indicate the individual worked as a Class Member and PAGA Member, and will estimate each Class Member's pro rata share of the Net Settlement Amount including their share of the PAGA Group Payment as PAGA Members.

77. Settlement Class Members will have the right to challenge only their dates of employment for the Covered Class Workweeks or for the Covered PAGA Pay Periods as shown on the Class Notice. Settlement Class Members' challenges to their dates of employment for the Covered Class Workweeks or for the Covered PAGA Pay Periods listed on the Class Notice shall be sent directly to the Settlement Administrator at the address indicated on the Class Notice. Any challenge must be made during the Claims Period. The Settlement Administrator will inform Class Counsel and Urban's Counsel in writing of any timely filed challenges. Urban's records are presumed to be accurate unless the Settlement Class Member submits documentation demonstrating otherwise, *i.e.*, a Settlement Class

Member who fails to provide written proof will have his or her challenge denied. In the event of any dispute over an individual's workweeks, Urban's Counsel will investigate the challenge and determine whether any additional workweeks should be credited to the Settlement Class Member making the challenge. Urban will decide whether the Settlement Class Member's challenge shall be accepted. Urban's decision is final and binding without a right of appeal.

78. The Settlement Administrator shall (a) date stamp all original Requests for Exclusion that it receives; (b) serve copies on Class Counsel and Urban's Counsel no later than 5 business days after receipt, or immediately if received within 5 business days of the Final Approval Hearing; and (c) provide a declaration attaching as exhibits the date-stamped Requests for Exclusion received to be filed with the Court pursuant to Paragraph 101.

79. The Settlement Administrator shall also (a) date stamp all original rescissions of Requests for Exclusion it receives; (b) serve copies on Class Counsel and Urban's Counsel no later than 5 business days after receipt, or immediately if received within 5 business days of the Court's Final Approval Hearing; and (c) provide a declaration attaching as exhibits the date-stamped rescissions of Requests for Exclusion received to be filed with the Court pursuant to Paragraph 101.

80. The Settlement Administrator shall be responsible for issuing and mailing the checks and any necessary tax reporting forms to Settlement Class Members and/or PAGA Members, the Class Representative, Class Counsel, and Urban. The Settlement Administrator shall provide a declaration of payment, which will be filed with the Court and served on Class Counsel and Urban within 150 days after mailing the payments to Settlement Class Members, PAGA Members, the Class Representative, and Class Counsel.

C. Process and Deadlines

81. Within seven (7) days after the Effective Date, the Settlement Administrator shall make the final calculation of Class Settlement Payments from the Net Settlement Amount to be distributed to the Settlement Class Members. Upon completion of its final calculation of payments, the Settlement Administrator shall provide Urban's Counsel with a report listing the amount of all Class Settlement Payments to be made to each Settlement Class Member and all payments out of the PAGA Group

Payment to be made to each Settlement Class Member and/or PAGA Member.

82. Within 14 days after the Effective Date, Urban will provide payment of the Maximum Settlement Amount to the Settlement Administrator to fund the QSF to be created by the Settlement Administrator, in addition to Urban's share of employer payroll taxes for the payments reportable on IRS Form W-2.

83. Within 30 days after the Effective Date, the Settlement Administrator shall distribute and pay Class Settlement Payment checks to all Settlement Class Members, pay the Class Representative her Service Enhancement payment, issue a check to the LWDA for the LWDA PAGA Penalty Amount, issue checks to the PAGA Members for their individual PAGA Group Payments, and pay Class Counsel's attorneys' fees and costs.

D. Uncashed Settlement Checks

84. Settlement Class Members who are sent Class Settlement Payments and PAGA Members who are sent PAGA Group Payments will have 90 calendar days after mailing by the Settlement Administrator to cash settlement checks and will be so advised of such deadline. If such Settlement Class Members and/or PAGA Members do not cash their checks within that period, those checks will become void and a stop payment will be placed on the uncashed checks. Within thirty (30) days after the expiration date of the settlement checks, the Settlement Administrator shall provide to Class Counsel and Urban's Counsel a verification/declaration signed under penalty of perjury that it has mailed the settlement checks to Settlement Class Members and/or PAGA Members, and if uncashed, that such amounts have been sent to the Controller of the State of California to be held pursuant to the Unclaimed Property Law, California Civil Code Section 1500, *et seq.* in the name of the Settlement Class Member and/or PAGA Member to whom the uncashed check was addressed, for the benefit of those Settlement Class Members and/or PAGA Members who did not cash their checks until such time as they claim their property.

VII. RELEASE OF CLAIMS

A. Release by Plaintiff, Settlement Class Members, PAGA Members, and the LWDA

85. Upon Urban's transfer of the Maximum Settlement Amount and the amount of Urban's

share of applicable employer payroll taxes on the wage-portion of the Class Settlement Payments to the Settlement Administrator, Plaintiff and each and every Settlement Class Member, will be deemed to have, and by operation of the Final Approval Order and Judgment entered by the Court will have fully, finally, and forever released, relinquished, and discharged each and all of the Urban Releasees from any and all Released Class Claims. All Settlement Class Members shall be bound by the release, unless they formally opt-out.

86. Upon Urban's transfer of the Maximum Settlement Amount and the amount of Urban's share of applicable employer payroll taxes on the wage-portion of the Class Settlement Payments to the Settlement Administrator, Plaintiff, on behalf of herself and on behalf of the LWDA and each and every PAGA Member, will be deemed to have, and by operation of the Final Approval Order and Judgment entered by the Court will have fully, finally, and forever released, relinquished, and discharged each and all of the Urban Releasees from any and all Released PAGA Claims. All PAGA Members shall be bound by the release as to any Released PAGA claims even if they have formally opted out of the Settlement Class.

87. The Parties agree that this Settlement Agreement is conditioned upon this release of all Released Class Claims as defined in Paragraph 29 and Released PAGA Claims as defined in Paragraph 30. Upon the Effective Date, Plaintiff, the LWDA, and each and every Settlement Class Member and PAGA Member will be bound by the terms of this Settlement Agreement and will have recourse exclusively to the benefits, rights, and remedies provided hereunder.

88. Plaintiff agrees that this Settlement Agreement is further conditioned upon her individual covenant not to participate in any further proceedings seeking damages, penalties, or other remedies for any Released Class Claims or Released PAGA Claims. Plaintiff agrees that the Settlement is fair and reasonable and will participate in the settlement.

B. General Release by Plaintiff

89. For and in accepting the consideration of the Service Enhancement awarded, Plaintiff further will make a general release (the "General Release") on behalf of herself and her heirs, executors, administrators, representatives, successors and assigns, of the Urban Releasees, to the full extent

permitted by law, of and from any and all claims, obligations, demands, actions, rights, causes of action, and liabilities against the Urban Releasees (as defined in Paragraph 38), whether or not acting in the course and scope of employment, and all persons acting by, through, under, or in concert with any of them, of any and every kind, nature and character whatsoever, known or unknown, suspected or unsuspected, whether based on a tort, contract, statute, or any other theory of recovery, and whether for compensatory or punitive damages which Plaintiff had at any time heretofore or claimed to have or which Plaintiff may have or claims to have regarding events that have occurred relating to any work performed for the Urban Releasees as of the Preliminary Approval Date. This includes all of Plaintiff's claims against the Urban Releasees related to or arising out of Plaintiff's employment with the Urban Releasees, and/or the cessation of employment or purported employment therefrom. These claims expressly include, but are not limited to, those arising under the Americans With Disabilities Act of 1990 (42 U.S.C. §§ 12101, *et seq.*), the Employee Retirement Income Security Act (29 U.S.C. § 1000, *et seq.*), the Family and Medical Leave Act, the Fair Labor Standards Act ("FLSA") (29 U.S.C. §§ 201 *et seq.*), the Lily Ledbetter Act, Title VII of the Civil Rights Act of 1964 (42 U.S.C. § 2000, *et seq.*), the California Family Rights Act, California Equal Pay Law, California Whistleblower Protection Laws, California Pregnancy Disability Leave Law, the California Fair Employment and Housing Act (Cal. Government Code § 12900, *et seq.*), and any and all claims related to the following: unpaid wages; unpaid overtime; failure to pay all compensation on termination of employment; missed meal periods; missed rest periods; reimbursement of expenses; inaccurate wage statements; deductions and/or chargebacks from wages; any alleged violations of the California Labor Code; any alleged violations of applicable federal law including, but not limited to, the FLSA; any alleged violation of and/or any remedy provided by the California Civil Code and/or the California Code of Civil Procedure including, but not limited to, section 1021.5; any claims for penalties under the California Labor Code and/or the California Private Attorneys General Act, California Labor Code section 2698 *et seq.* ("PAGA"); any and all claims for relief under California Business and Professions Code section 17200 *et seq.*, including any and all claims for injunctive relief; and any and all other claims for relief, including any associated prayers for compensatory damages, indemnification, injunctive relief, punitive damages, liquidated damages,

penalties, interest, attorneys' fees or costs; any claims arising under the California Constitution; and any of Plaintiff's claims or allegations that Urban Releasees deprived Plaintiff of any pay or other benefits or legal protections to which Plaintiff alleges Plaintiff is or was entitled. The Plaintiff and Urban Releasees intend for this definition to be all encompassing and to act as a full and total release of any of Plaintiff's claims that Plaintiff may legally waive or release against Urban Releasees arising from any work Plaintiff performed for Urban Releasees, whether specifically enumerated herein or not, that the Plaintiff might have or had, that exists or ever has existed on or to the Preliminary Approval Date. Plaintiff's General Release also includes the waiver of any right to bring, maintain, or participate in a class, collective, or representative action against the Urban Releasees to the maximum extent permitted by law. Plaintiff's General Release, however, shall not constitute a release of any claims that may not lawfully be waived; further, Plaintiff does not waive any right to file an administrative charge with the Equal Employment Opportunity Commission ("EEOC") or the National Labor Relations Board ("NLRB"), subject to the confidentiality provisions of the Settlement Agreement, and subject to the condition that Plaintiff not seek, or in any way obtain or accept, any monetary award, recovery or settlement therefrom and understands that such limitation does not in any way restrict her ability to file and pursue such charge consistent with the confidentiality obligations set forth in this Settlement Agreement; and further, Plaintiff does not waive any rights with respect to, or release Urban Releasees from, any claims for unemployment insurance.

90. Thus, for the purpose of implementing a full and complete release and discharge of the Urban Releasees, Plaintiff expressly acknowledges that this General Release is intended to include in its effect, without limitation, all claims which Plaintiff does not know or suspect to exist in Plaintiff's favor at the time of execution hereof, and that this General Release contemplates the extinguishment of any such claim or claims.

91. In connection with such waiver and relinquishment, Plaintiff hereby acknowledges that Plaintiff or her attorneys may hereafter discover claims or facts in addition to, or different from, those which she now knows or believes to exist, but that she expressly agrees to fully, finally and forever settle and release any and all claims, known or unknown, suspected or unsuspected, which exist or may exist on

her behalf against the Urban Releasees at the time of execution of the Settlement Agreement, including, but not limited to, any and all claims relating to or arising from Plaintiff's employment with Urban Releasees or the cessation of that employment. Plaintiff and Urban further acknowledge, understand and agree that this representation and commitment is essential to each Party and that this Settlement Agreement would not have been entered into were it not for this representation and commitment.

92. It is further understood and agreed that as a condition of this General Release, and to effect a full and complete general release as described above, Plaintiff hereby expressly waives and relinquishes any and all claims, rights or benefits that she may have under California Civil Code Section 1542, which provides as follows:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

Plaintiff warrants that she has read this Agreement, including the waiver of California Civil Code section 1542, and that she has consulted with or had the opportunity to consult with counsel of her choosing and specifically about the waiver of section 1542, that she understands this Agreement and the section 1542 waiver, and that she freely and knowingly enters into this Agreement, this General Release, and the section 1542 waiver.

93. Plaintiff further agrees that, unless required to do so by law, she will not testify, provide documents, or otherwise participate, or request others to participate on her behalf, in any proceeding or litigation that is related to any conduct by any Urban Releasee as of the date of this Settlement Agreement. Notwithstanding the foregoing, nothing in this General Release will prohibit or restrict Plaintiff from: (i) providing information to, or otherwise assisting in, an investigation by Congress, the Equal Employment Opportunity Commission or the NLRB, the Securities and Exchange Commission ("SEC") or any other California or federal regulatory or law enforcement agency or self-regulatory organization ("SRO"); (ii) testifying, participating, or otherwise assisting in a proceeding relating to an alleged violation of any California or federal law relating to fraud or any rule or regulation of the SEC or

any SRO; (iii) complying with a lawful subpoena or other legal process, subject to the terms of the Settlement Agreement; or (iv) seeking enforcement of this settlement agreement or approval of its terms.

94. If any of the provisions, terms, clauses, waivers or releases of claims and rights contained in this General Release are declared illegal, unenforceable, or ineffective in a legal forum of competent jurisdiction, such provisions, terms, clauses, waivers or releases of claims or rights will be modified, if possible, in order to achieve, to the extent possible, the intentions of the parties and, if necessary, such provisions, terms clauses, waivers and releases of claims and rights will be deemed severable, such that all other provisions, terms, clauses and waivers and releases of claims and rights contained in this General Release will remain valid and binding upon both parties, provided, however, that, notwithstanding any other provision of this General Release, if any portion of the waiver or release of claims or rights is held to be unenforceable, Urban may, at its option, seek modification or severance of such portion, or terminate the Settlement Agreement pursuant to Paragraph 105.

95. Plaintiff further covenants that she will not participate in any other legal actions against Urban that involve the claims released by Plaintiff pursuant to the Released Class Claims, the Released PAGA Claims, and Plaintiff's General Release as set forth in this Section VII, unless she is required to do so pursuant to a court order or legal process, and will opt out of further actions upon receiving notice of such actions.

VIII. DUTIES OF THE PARTIES BEFORE PRELIMINARY APPROVAL AND BETWEEN PRELIMINARY AND FINAL APPROVAL

96. Plaintiff's Counsel, subject to Urban's approval, will submit this Settlement Agreement to the Court together with the Motion for Preliminary Approval of Settlement and Certification of Settlement Class. At least three (3) days before submission to the Court, Plaintiff will provide a draft of the Motion for Preliminary Approval and supporting papers to Urban for its review and comment. The motion shall seek an order:

- (a) Preliminarily approving the settlement;
- (b) Approving as to form and content the proposed Class Notice;
- (c) Directing the mailing of the Class Notice to Class Members;

- (d) Preliminarily certifying the Settlement Class for purposes of settlement and preliminarily appointing Named Plaintiff and Plaintiff's Counsel as representatives of the Settlement Class;
- (e) Preliminarily approving settlement administration services to be provided by the Settlement Administrator;
- (f) Preliminarily approving the Service Enhancement payment to Named Plaintiff as Class Representative;
- (g) Preliminarily approving the application for payment of reasonable attorneys' fees and costs to Plaintiff's Counsel;
- (h) Pending the Final Approval Hearing, enjoining Plaintiff and all Class Members and anyone acting on behalf of any Class Member, until the Class Member opts out, from: further prosecution of the Action; filing, or taking any action directly or indirectly, to commence, prosecute, pursue or participate on a class action basis any action, claim or proceeding against Urban in any forum in which any of the claims subject to the Settlement are asserted, or which in any way would prevent any such claims from being extinguished; or seeking certification of a class action that involves any such claims; and
- (i) Scheduling a Final Approval Hearing on the question of whether the proposed settlement should be finally approved as fair, reasonable and adequate as to the members of the Settlement Class.

97. In conjunction with Plaintiff's Motion for Preliminary Approval, Plaintiff's Counsel will submit the proposed Settlement to the LWDA, in accordance with Labor Code § 2699(1)(2).

98. If the Parties disagree on any aspect of the proposed Motion for Preliminary Approval and/or the supporting declarations and documents, Class Counsel and Urban's Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to resolve the disagreement. If the Court does not grant Preliminary Approval or conditions Preliminary Approval on any material change to this Agreement, Class Counsel and Urban's Counsel will expeditiously work

together on behalf of the Parties by meeting in person or by telephone, and in good faith, to modify the Agreement and otherwise satisfy the Court's concerns.

99. Urban shall provide to the Settlement Administrator within 21 days after the Preliminary Approval Date the Class Member data as set forth in Paragraph 68. Urban shall submit this information in electronic format as specified by the Settlement Administrator and shall thereafter, during the notice, approval, opt out, and payment processes, assist the Settlement Administrator as necessary or as requested to use, correct, or update this information in order to enable the Settlement Administrator to locate and contact Class Members, and to provide information needed or requested by the Settlement Administrator in order to make determinations on Class Members' challenges.

100. The Parties shall cooperate with each other and the Settlement Administrator during the process of giving Class Members notice and opportunity to opt out of or object to the Settlement, in every way necessary and appropriate to assure effective communication to individual Class Members of information concerning their rights and obligations under this Settlement Agreement.

101. Plaintiff's Counsel shall provide the Court at least five days prior to the Final Approval Hearing a declaration by the Settlement Administrator (i) of due diligence and proof of mailing of the Class Notice required to be mailed to Class Members by this Settlement Agreement, (ii) of the delivery results of the Settlement Administrator's mailings including tracing and re-mailing efforts, and (iii) attaching as exhibits all date-stamped Requests for Exclusion and date-stamped rescissions of Requests for Exclusion received from Class Members.

IX. DUTIES OF THE PARTIES AFTER FINAL COURT APPROVAL

102. The Parties will submit a proposed Final Approval Order, which shall include findings and orders:

- (c) Approving Class Counsel's application for an award of attorneys' fees and

reimbursement of out-of-pocket litigation costs;

103. Following entry of the Court's Final Approval Order, the Parties will each act to assure its timely execution and the fulfillment of all its provisions, including but not limited to the following:

- (a) With the exception of any appeal by Plaintiff and Plaintiff's counsel of an order reducing the requested amount of attorneys' fees and litigation costs or the Service Enhancement, should an appeal be taken from the Final Approval Order, all Parties will support the approval order on appeal;
- (b) Class Counsel and Urban's Counsel will assist the Settlement Administrator as needed or requested in the process of identifying and locating Class Members entitled to payments from the Net Settlement Amount and/or PAGA Group Payment and assuring delivery of such payments;
- (c) Class Counsel and Urban's Counsel will assist the Settlement Administrator as needed or requested in responding to late requests for payments and the fair administration of that payment;
- (d) Class Counsel and Urban's Counsel will cooperate with each other and assist the Settlement Administrator as needed;
- (e) The Parties and Class Counsel will certify to the Court completion of all payments required to be made by this Settlement Agreement.

X. PRELIMINARY TIMELINE FOR COMPLETION OF SETTLEMENT

104. The preliminary schedule for notice, approval, and payment procedures carrying out this Settlement is as follows. The schedule may be modified depending on whether and when the Court grants necessary approvals and orders notice to the class, and sets further hearings. In the event of such

modification, the Parties will cooperate in order to complete the settlement procedures as expeditiously as reasonably practicable.

106. If the Settlement Agreement is not finally approved, or Urban withdraws from the Settlement pursuant to paragraph 105, this Settlement Agreement and any related settlement documents (including the Parties' memorandum of understanding) will be null and void, other than the confidentiality and non-disclosure provisions in Section XII and the non-admission provisions in Paragraph 48. In such an event, neither this Settlement Agreement, nor the parties' memorandum of

understanding, nor the settlement documents, nor the negotiations leading to the Settlement, may be used as evidence for any purpose, and Urban will retain the right to challenge all claims and allegations in the Action and to assert all applicable defenses on all applicable grounds.

107. Other than as specified above, this Settlement Agreement may not be changed, altered, or modified, except in writing and signed by counsel for the Parties hereto, and approved by the Court. This Settlement Agreement may not be discharged except by performance in accordance with its terms or by a writing signed by the Parties hereto.

XII. CONFIDENTIALITY AND PUBLICITY

108. Names of Class Members will be kept strictly confidential by the Settlement Administrator, who will not release such information to Plaintiff's Counsel and who will only file such information under seal if necessary, except the Settlement Administrator may disclose, in a declaration filed publicly with the Court, the names of Class Members who submitted valid and timely Requests for Exclusion. Plaintiff's Counsel agrees that any information they receive or have received in connection with this Settlement, may be used for the purposes of settling the Action only, and may not be used for any purpose or in any other action or proceeding.

109. Plaintiff and Plaintiff's Counsel agree not to disclose the terms of this settlement except in court papers, communications with Class Members after the Preliminary Approval Date, or if required by legal process, except that Plaintiff's counsel may put publicly available information about the settlement in any description of their experience or the like in order to describe their experience to a court. Plaintiff and Plaintiff's Counsel shall not issue a press release, hold a press conference, publish information about the settlement on any website, or otherwise publicize the settlement. Plaintiff and Plaintiff's Counsel agree not to respond to any press inquiries except to refer reporters to the papers filed with the Court.

XIII. PARTIES' AUTHORITY

110. The signatories hereby represent that they are fully authorized to enter into this Settlement Agreement and bind the Parties hereto to the terms and conditions hereof.

XVI. MISCELLANEOUS PROVISIONS

A. Captions and Titles

113. Paragraph titles, headings, or captions contained herein are inserted as a matter of convenience and for reference, and in no way define, limit, extend, or describe the scope of this Settlement Agreement or any provision hereof. Each term of this Settlement Agreement is contractual and not merely a recital.

B. Drafting

114. The Parties hereto agree that the terms and conditions of this Settlement Agreement are the result of lengthy, intensive arms-length negotiations between the Parties. Neither Party will be considered the “drafter” of the Settlement Agreement for purposes of having terms construed against that party, and this Settlement Agreement will not be construed in favor of or against any Party by reason of the extent to which any Party or his, her or its counsel participated in the drafting of this Settlement Agreement.

C. Extensions of Time

115. If a Party cannot reasonably comply with an obligation under this Settlement Agreement by the deadline set forth herein applicable to that obligation, that Party may apply to the Court for a reasonable extension of time to fulfill that obligation. Consent to such a request for an extension will not be unreasonably withheld by the other party.

D. Governing Law

116. The rights and obligations of the parties hereunder will be construed and enforced in accordance with, and will be governed by, the laws of the State of California, without regard to principles of conflict of laws.

E. No Impact on Benefit Plans

117. Neither the Settlement Agreement nor any amounts paid under the Settlement Agreement will modify any previously credited hours or service under any employee benefit plan, policy, or bonus program sponsored by Urban. Such amounts will not form the basis for additional contributions to,

benefits under, or any other monetary entitlement under Urban's sponsored benefit plans, policies, or bonus programs. The payments made under the terms of this Settlement will not be applied retroactively, currently, or on a going forward basis, as salary, earnings, wages, or any other form of compensation for the purposes of Urban's benefit plan, policy, or bonus program. Urban retains the right to modify the language of its benefit plans, policies and bonus programs to effect this intent, and to make clear that any amounts paid pursuant to this Settlement Agreement are not for "hours worked," "hours paid," "hours of service," or any similar measuring term as defined by applicable plans, policies and bonus programs for purposes of eligibility, vesting, benefit accrual, or any other purpose, and that additional contributions or benefits are not required by this Settlement Agreement.

F. Integration

118. This Settlement Agreement contains the entire agreement between the Parties relating to the settlement of this Action and transaction contemplated hereby, and all prior or contemporaneous agreements, understandings, representations, and statements relating to this Action, whether oral or written and whether by a Party or such Party's legal counsel, are merged herein. No rights hereunder may be waived except in writing.

G. No Prior Assignments

119. This Settlement Agreement will be binding upon and inure to the benefit of the Parties hereto and their respective heirs, trustees, executors, administrators and successors. The Parties hereto represent, covenant, and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity any portion of any liability, claim, demand, action, cause of action or rights herein released and discharged except as set forth herein.

H. Counterparts and Electronic Signatures

120. This Settlement Agreement may be executed in counterparts with signatures transmitted by facsimile or as an electronic image (including DocuSign) of the original signature. When each Party has signed and delivered at least one such counterpart, each counterpart will be deemed an original, and, when taken together with other signed counterparts, will constitute one Settlement Agreement, which will

be binding upon and effective as to all Parties. A facsimile signature or electronic image will have the same force and effect as the original signature.

NOTICE OF CLASS ACTION SETTLEMENT

If you were employed by Urban Outfitters, Inc. in a non-exempt position at an Urban Outfitters retail store in California at any time between June 28, 2019 and August 31, 2022, a settlement of a class action lawsuit may affect your rights.

A court authorized this notice. This is not a solicitation from a lawyer.

TO UNDERSTAND YOUR RIGHTS, PLEASE READ THIS NOTICE CAREFULLY.

A proposed class action settlement (“the Settlement”) has been reached in a class action lawsuit entitled *Andrade v. Urban Outfitters, Inc. et al.*, Case No. 20STCV33377, filed in the Los Angeles County Superior Court (the “Action”). The lawsuit was filed by Plaintiff Alison Andrade (“Plaintiff”) against Defendant Urban Outfitters, Inc. (“Urban”). Plaintiff and Urban are collectively referred to as the “Parties.”

Plaintiff, a former Urban employee, asserts claims under California law for failure to pay minimum wage, failure to pay overtime or pay overtime at the correct rate of pay, failure to pay for all hours worked (off-the-clock work), failure to provide meal periods, failure to provide rest periods, failure to pay premiums at the correct rate of pay, failure to timely pay final wages and wages earned during employment, failure to provide accurate itemized wage statements, and failure to maintain accurate and complete records, on behalf of herself and all others employed by Urban as non-exempt employees who worked at an Urban Outfitters retail store in California, according to Urban’s records, at any time between June 28, 2019 and August 31, 2022 (“Class Members”).

Plaintiff also asserts violations of California’s Private Attorneys General Act (“PAGA”) on behalf of herself and all other individuals employed by Urban as non-exempt employees who worked at an Urban Outfitters retail store in California, according to Urban’s records, at any time between June 28, 2019 and August 31, 2022 (“PAGA Members”).

On **DATE** the Court preliminarily approved the Parties’ class action settlement. The Settlement provides for individual settlement payments based on the number of workweeks and biweekly pay periods that Class Members and PAGA Members worked for Urban as non-exempt employees who worked at an Urban Outfitters retail store in California from June 28, 2019 through August 31, 2022.

This notice summarizes the proposed settlement. For the precise terms and conditions of the settlement, please see the settlement agreement by accessing either [REDACTED] or the Court’s docket in this case through the Court’s Case Access page at <https://www.lacourt.org/casesummary/ui/index.aspx?casetype=civil>. You may also contact the Settlement Administrator, Counsel for the Class, or Counsel for Urban.

Do not contact the Court or the Clerk’s Office about this settlement.

YOUR LEGAL RIGHTS AND OPTIONS UNDER THE SETTLEMENT	
DO NOTHING	If you do nothing, you will automatically receive your share of the settlement if the Settlement receives final approval by the Court, and will be bound by the terms of the Settlement and releases described in this Notice.
EXCLUDE YOURSELF	If you do not wish to receive money from the settlement as a Class Member and wish to retain your rights to pursue the non-PAGA Labor Code claims at issue in this lawsuit, you may submit a written request for exclusion to the Settlement Administrator, postmarked no later than DATE .

	<p>By opting out or excluding yourself from the class action, you will not receive a settlement check as part of the class action settlement. You will not be bound by any of the non-PAGA terms of the settlement and will not release any of your non-PAGA legal claims against Urban.</p> <p>NOTE: If you are a PAGA Member, as defined above, you cannot opt out of the PAGA Member group, even if you opt out of the class action settlement. If the settlement is approved, you will receive a check for your allocation of the PAGA portion of the settlement, and you will be bound by the PAGA portion of the release whether you cash the check or not.</p>
OBJECT	<p>If you wish to object to the Settlement, you must submit a written Objection, and supporting papers, to the Court no later than DATE. This option is available only if you do <u>not</u> exclude yourself from the class action settlement.</p>

Settlement payments only will be issued if the Court grants final approval of the Settlement.

BASIC INFORMATION

1. Why did I get this notice?

Plaintiff and Urban reached a settlement of a class action, and Urban’s records show you are a Class Member covered by this settlement. On **DATE** the Court ordered this Notice be provided to Class Members to explain the Action, the Settlement, and your legal rights.

2. What is this lawsuit about?

This is a class action and representative action, meaning it is a lawsuit seeking to have the claims and rights of many people decided in a single court proceeding. In the Second Amended Complaint filed in the action, Plaintiff Alison Andrade, a former Urban employee, asserts the following claims under California law: failure to pay minimum wage, failure to pay overtime or pay overtime at the correct rate of pay, failure to pay for all hours worked (off-the-clock work), failure to provide meal periods, failure to provide rest periods, failure to pay premiums at the correct rate of pay, failure to timely pay final wages and wages earned during employment, failure to provide accurate itemized wage statements, and failure to maintain accurate and complete records. These class claims seek recovery going back to June 28, 2019. For more information regarding Plaintiff’s claims, you are advised to refer to the Second Amended Complaint, which is available on the Settlement Administrator’s website.

The Action also includes a claim for civil penalties for the above alleged Labor Code violations brought on behalf of the State of California concerning Class Members whose covered biweekly pay periods go back to June 28, 2019. (“PAGA claims.”)

Urban denies Plaintiff’s claims and contends that Urban has paid its California non-exempt retail store employees properly and complied with all applicable laws. Urban entered into the Settlement solely for purposes of avoiding the risks and uncertainty of litigation.

This Settlement is the result of good-faith, arm’s-length negotiations between the Parties, through their respective attorneys, with the assistance of a neutral mediator. The Parties agree that in light of the risks and expenses associated with continued litigation, this Settlement is fair, adequate, and reasonable, and that it is in the best interest of the Class Members.

3. Has the Court decided who is right?

The Court hasn't decided whether Urban or the Plaintiff is correct. Urban and the Plaintiff reached a settlement by mediating the case with a neutral third party, for the sole purpose of resolving the matter and with no admission of liability or wrongdoing by Urban.

THE SETTLEMENT BENEFITS—WHAT YOU GET

4. What does the settlement provide?

Subject to Court approval, under the terms of the Settlement, Urban agreed to pay \$2,500,000 ("Maximum Settlement Amount") to settle all claims at issue of Plaintiff, Class Members, PAGA Members, and Class Counsel. Portions of the Maximum Settlement Amount will be used to pay Class Counsel's attorneys' fees and costs, Plaintiff's Service Enhancement award, the costs of the Settlement Administration, and payments to the State of California Labor and Workforce Development Agency ("LWDA") and PAGA Members for PAGA penalties. The remainder of the Maximum Settlement Amount ("Net Settlement Amount") will be available to pay money to the Class Members who do not exclude themselves from the class. Specifically, the Maximum Settlement Amount will be allocated as follows: \$ [REDACTED] of the Maximum Settlement Amount will be paid to Plaintiff's Counsel as attorneys' fees, \$ [REDACTED] will be paid to Plaintiff's Counsel as costs, \$15,000 will be paid to the named Plaintiff for her services, \$ [REDACTED] will be paid to the Settlement Administrator for costs incurred in administering this settlement, \$75,000 will be paid to the State of California to settle claims alleged under PAGA, and a collective payment of \$25,000.00 will be paid to PAGA Members to settle claims alleged under PAGA.

The Net Settlement Amount will be divided among Class Members based on the number of workweeks each Class Member worked compared to the number of workweeks worked by all Class Members between June 28, 2019 and August 31, 2022.

The PAGA Group Payment will be divided among PAGA Members based on the number of biweekly pay periods each PAGA Member worked compared to the number of biweekly pay periods worked by all PAGA Members between June 28, 2019 and August 31, 2022, including those who opt out of the class action settlement.

Tax Treatment of Settlement Payments

Class Settlement Payments will be allocated as follows: 1/2 to unpaid wages, with all applicable taxes withheld, for which an IRS Form W-2 shall be issued, and 1/2 to non-wage recovery, including interest and penalties, for which an IRS Form 1099 shall be issued. Urban will pay its share of payroll taxes on the amounts allocated as unpaid wages.

Payments to PAGA Members from the PAGA Group Payment are treated as civil penalties, not wages, for tax purposes, for which an IRS Form 1099 shall be issued.

You should consult with a tax advisor concerning the tax consequences of the payment(s) you receive under the Settlement.

Settlement Administrator

The Court has appointed a neutral company, CPT Group, Inc. (the "Settlement Administrator") to send this Notice, calculate and make payments, and process Class Members' Requests for Exclusion. The Settlement Administrator will also review Class Member challenges over estimated workweeks and pay periods, mail and re-mail settlement checks and tax forms, and perform other tasks necessary to administer the Settlement. The Settlement Administrator's contact information is [REDACTED].

Your Weeks Worked and Estimated Individual Settlement Payment:

The settlement covers all workweeks from June 28, 2019 through August 31, 2022 in which a Class Member worked for Urban as a non-exempt employee at an Urban Outfitters retail store in California. According to Urban's records, you worked as a non-exempt employee at an Urban Outfitters retail store in California for some period(s) within this time period during the following dates: [StartDate] to [EndDate].

The PAGA portion of the settlement covers all biweekly pay periods from June 28, 2019 through August 31, 2022 in which a PAGA Member worked for Urban as a non-exempt employee at an Urban Outfitters retail store in California. According to Urban's records, you worked as a non-exempt employee at an Urban Outfitters retail store in California for some period(s) within this time period during the following dates: [StartDate] to [EndDate].

Based on your work dates, the approximate amount of your recovery is: << TotalestAmount>>. This amount may change depending on participation in the settlement by all Class Members (e.g., if a Class Member opts out of the settlement, your amount may increase by a percentage of those settlement proceeds). If you are a PAGA Member, your estimated recovery for the PAGA portion of the settlement is: <<PAGA_estAmount>>.

Procedure for Disputing Information

If you want to dispute your employment dates for your estimated number of workweeks or pay periods, you need to provide written evidence supporting your claim by [DATE] and send to:

[ADDRESS]

Urban's records are presumed to be correct unless you provide documentation to the Settlement Administrator that demonstrates otherwise. The Settlement Administrator will resolve any dispute regarding the estimated number of workweeks or pay periods you worked based on Urban's records and the evidence submitted by you.

5. What am I giving up in exchange for the settlement benefits?**Release by Class Members**

In exchange for receiving payments under the Settlement, Plaintiff and each Class Member who has not opted out of the Settlement (which would include you) shall be deemed to have fully, finally, and forever released Urban Releasees¹ from any and all claims, obligations, demands, rights, causes of action, and liabilities against Urban Releasees, whether in law or equity that have been asserted or that could have been asserted in the Complaint, the First Amended Complaint, the Second Amended Complaint, and any amendments thereto; or that could have been asserted in the Complaint, the First Amended Complaint, the Second Amended Complaint, and any amendments thereto, based on the facts, claims and/or allegations pled therein ("Released Class Claims"). Released Class Claims include, but are not limited to, claims for failure to pay minimum wage, failure to pay overtime or pay overtime at the correct rate of pay, failure to pay for all hours worked (off-the-clock work), failure to provide meal periods, failure to provide rest periods, failure to pay premiums at the correct rate of pay, failure to timely pay final wages and wages earned during employment, failure to provide accurate, itemized wage statements, and failure to maintain accurate and complete records, and includes all claims for recovery of compensation, overtime pay, minimum wage,

¹ "Urban Releasees" means Urban and all of its former, current, and future related organizations, companies, divisions, subsidiaries, affiliates, insurers, and parents, and each of their respective predecessors, successors, and assigns, as well as each of their respective former, current and future directors, officers, employees, agents, representatives, attorneys, fiduciaries, assigns, heirs, executors, administrators, beneficiaries, benefit plans, plan administrators, insurers and trustees.

premium pay, and/or all penalties under the California Labor Code and California's Wage Orders, and claims derivative and/or related to those claims, including those under the California Business & Professions Code and PAGA related to released claims, from June 28, 2019 through August 31, 2022. All Settlement Class Members shall be bound by the release, unless they timely opt-out as explained below.

Release by PAGA Members

Plaintiff on behalf of herself and on behalf of the LWDA and each and every PAGA Member, shall be deemed to have fully, finally, and forever released each and all of the Urban Releasees from any and all claims, obligations, demands, rights, causes of action, and liabilities against Urban Releasees, under PAGA that have been asserted or that could have been asserted in the Complaint, the First Amended Complaint, the Second Amended Complaint, the PAGA letter to the LWDA, and any amendments thereto; or that could have been asserted in the Complaint, the First Amended Complaint, the Second Amended Complaint, and any amendments thereto, based on the facts, claims and/or allegations pled therein ("Released PAGA Claims"). Released PAGA Claims include, but are not limited to, claims for failure to pay minimum wage, failure to pay overtime or pay overtime at the correct rate of pay, failure to pay for all hours worked (off-the-clock work), failure to provide meal periods, failure to provide rest periods, failure to pay premiums at the correct rate of pay, failure to timely pay final wages and wages earned during employment, failure to provide accurate, itemized wage statements, and failure to maintain accurate and complete records and includes all such claims from June 28, 2019 through August 31, 2022. All PAGA Members shall be bound by the release as to any Released PAGA claims even if they have opted out of the Settlement Class.

HOW TO GET A SETTLEMENT PAYMENT

6. How do I get a settlement payment?

If the Settlement receives final approval by the Court, and you do not opt out, you will be mailed a check for your Class Settlement Payment at the address where this notice was mailed (unless you timely provide a forwarding address to the Settlement Administrator). If you are a PAGA Member, you will be mailed a check for your share of the PAGA Group Payment even if you opted out of the class Settlement.

7. When will I get my check?

The Court has scheduled a Final Approval Hearing on **DATE, at TIME**. If the Court approves the Settlement, and there are no appeals, the Settlement Administrator will mail you your payment approximately two months after that. If there are any appeals of the approval order, your payment may be delayed until all appeals are resolved and the settlement becomes effective.

You will only have 90 days from the date the check is issued to cash it. After 90 calendar days from the date of mailing, the checks shall become null and void. Any uncashed amounts from your settlement check will be sent to the Controller of the State of California as Unclaimed Property to be held in your name. If the monies represented by your check are sent to the Controller's Unclaimed Property, you should consult the rules of the Fund for instructions on how to retrieve your money.

8. What if I lose my settlement check?

If you lose or misplace your settlement check before cashing it, the Settlement Administrator will replace it as long as you request a replacement before the void date on the face of the original check. If your check is already void you should consult the Unclaimed Property Fund, <https://ucpi.sco.ca.gov/en/Property/SearchIndex>, for instructions on how to retrieve the funds.

9. What if I change my address?

To receive your check, you should immediately notify the Administrator if you move or otherwise change your mailing address.

EXCLUDING YOURSELF FROM THE SETTLEMENT

10. How do I ask the Court to exclude me from the Settlement Class?

You may only request exclusion from the class action portion of the settlement. You may not opt out of the PAGA portion of the settlement.

Class Members who wish to “opt out” of and be excluded from the class action settlement must submit to the Settlement Administrator a written Request for Exclusion that must be post-marked no later than **DATE**. The Request for Exclusion must: (a) include your name, the last four digits of your social security number, and your signature; and (b) indicate that you desire to exclude yourself from the class action settlement.

If you submit a timely and valid Request for Exclusion, you will no longer be a member of the Class, and you will not be eligible to receive any of the Class Member benefits under the Settlement or object to the terms of the Settlement. You will not be bound by the non-PAGA terms of the Settlement, and may pursue any individual claims you may have, at your own expense, against Urban. If you are a PAGA Member, you will still receive a check with your share of the PAGA Group Payment allocated to settle PAGA Members’ claims for civil penalties and you will be bound by the release as to the Released PAGA Claims.

Requests for Exclusion that do not include all required information or that are not timely submitted are ineffective. If you do not submit a valid and timely Request for Exclusion on or before **DATE**, and if the Court grants final approval of the settlement, you will be bound by the Settlement and its releases of the Released Class Claims and you will be considered a Settlement Class Member for settlement distribution purposes.

11. If I don’t exclude myself, can I sue later?

No. Unless you exclude yourself from the non-PAGA portion of the Settlement, you will be bound by all the terms of the Settlement, including the waiver and release of all Released Class Claims relating to the Action as set forth above, and you will be prevented from suing Urban Releasees or participating in any other litigation or class action relating to the matters being settled in this Action, if the Court grants final approval of the settlement. Regardless of whether you exclude yourself from the non-PAGA portion of the Settlement, if you are a PAGA Member, you will be bound by the Released PAGA Claims and you will be prevented from suing Urban Releasees or participating in any other litigation or representative action relating to the Released PAGA Claims.

THE LAWYERS REPRESENTING YOU

12. Do I have a lawyer in this case?

Yes. The Court has decided that the following lawyers are qualified to represent you and all Class Members for purposes of this Settlement. This means they have been appointed to serve as Class Counsel and represent the Class Members. You will not be charged for the work performed by Class Counsel. You may also appear in the Action through an attorney of your choice, at your own expense. Class Counsel’s contact information is as follows:

 Fax: (310) 312-0296
 makarem@law-rm.com
 stewart@law-rm.com
 bass@law-rm.com

13. How will the costs of the lawsuit and the settlement be paid?

You will not be charged for any costs. The lawyers will request the Court award their fees and reimburse their advancement of litigation expenses, from the Maximum Settlement Amount. Subject to court approval, Class Counsel will ask the Court to award attorneys' fees to compensate them for the work performed for the benefit of the Class up to 35% of the Maximum Settlement Amount. Class Counsel also will ask the Court to reimburse litigation costs up to \$25,000.

In addition, and subject to Court approval, Class Counsel will ask the Court to authorize a Service Enhancement award of up to \$15,000 for Plaintiff for her work and effort in prosecuting this case, for undertaking the risks of payment of costs (in the event the outcome of this Action was not favorable) and a general release of all claims.

The Court may award less than these amounts. If lesser amounts are awarded, those unawarded amounts may be added to the Net Settlement Amount for distribution to Settlement Class Members. However, if Plaintiff and Class Counsel appeal an order awarding lesser amounts, then any amount not approved by the Court after the resolution of the appeal will be donated as a charitable contribution.

OBJECTING TO THE SETTLEMENT

14. How do I object to the Settlement?

You may object only as to the class action portion of the settlement and only if you do not submit a Request for Exclusion ("opt out") from the settlement. If you do not wish to opt out of the settlement but disagree with any portion of the class action settlement terms, you have the right to file an objection. If you opt out of the class action settlement, you will be ineligible to object to any aspect of the settlement.

You may not object to the PAGA portion of the settlement under any circumstances, whether or not you have opted out of the class action settlement. This means that if you qualify as a PAGA Member, you automatically will be bound by the PAGA portion of the settlement if the Court grants final approval of the settlement.

If you are a Class Member, you can object to the Settlement and you can give reasons for why you think the Court should not approve it. The Court will consider your views. To object, you must mail your objection to the Settlement Administrator no later than **DATE**. Your written objection must: (a) contain your name, address, telephone number, and the last four digits of your Social Security number; (b) state the case name and number: *Andrade v. Urban Outfitters, Inc. et al.*, Case No. 20STCV33377; (c) state the specific reason for your objection including any legal support; (d) state whether you or someone on your behalf intends to appear at the final approval hearing; and (e) contain your signature.

If you do not object in the manner described above, you shall be deemed to have waived any objections to the proposed Settlement, including its fairness or adequacy, the payment of attorneys' fees or litigation costs to Class Counsel, the Service Enhancement award to Plaintiff, and any and all other aspects of the Settlement.

15. What's the difference between objecting and asking to be excluded?

You cannot both exclude yourself and object. You can do one or the other, or neither. Objecting is simply telling the Court you do not like something about the Settlement. You can object to the class action portion of the settlement only if you remain a Class Member. Excluding yourself is telling the Court that you do not want to be part of the

Settlement Class. If you exclude yourself, you have no basis to object because the class action settlement no longer affects you.

THE COURT'S FINAL APPROVAL HEARING

The Court will hold a hearing to decide whether to approve the Settlement. You may attend the hearing and you may ask to speak, but you do not have to attend.

The Proposed Settlement Will be Void if the Court Denies Final Approval.

It is possible the Court will decline to grant Final Approval of the Settlement or decline enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. Plaintiff and Urban have agreed that, in either case, the Settlement will be void: Urban will not pay any money and Class Members will not release any claims against Urban Releasees. The confidentiality and non-disclosure provisions and the non-admission provisions in the Settlement will remain effective.

16. When and where will the Court decide whether to approve the settlement?

The Court will hold a Final Approval Hearing on **DATE at TIME** in Department 72 at the Los Angeles Superior Court of California, Stanley Mosk Courthouse, located at 111 N. Hill Street, Los Angeles, CA 90012. At this hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. If there are Objections, the Court will consider them. After the hearing, the Court will decide whether to approve the Settlement. There is no time limit for the Court to make its decision.

Note: The Court may change the date of the final approval hearing without further notice to the Settlement Class. You should check the Administrator's website **WEBSITE** beforehand or contact Class Counsel to verify the date and time of the Final Approval Hearing. Any Class Member who returns a written objection letter will be notified by Class Counsel of any rescheduling of the date and time of the Final Approval Hearing.

17. Do I have to come to the hearing?

No. Counsel for the parties will answer any questions the judge may have. You may attend the hearing and you may ask to speak, but you do not have to attend.

If you submit an objection, you do not have to come to Court to talk about it, but you can come if you wish. As long as you mailed a valid objection on time, the Court will consider it. You also may hire and pay another lawyer besides Class Counsel to attend, but it is not required. You have the right to appear in person, by telephone or by using the Court's virtual appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. Class Counsel will not represent you in connection with any objection you submitted.

IF YOU DO NOTHING

18. What happens if I do nothing at all?

If you do nothing, you automatically will receive your Class Settlement Payment from the Net Settlement Amount after the Court has granted final approval as well as your share of the PAGA Group Payment if you are a PAGA Member. If you never cash your settlement check(s), you nevertheless will be bound by all the terms of the Settlement, including the waiver and release of all Released Class Claims relating to the Action as set forth above, and, if you are a PAGA Member, the waiver and release of all Released PAGA Claims relating to the Action as set forth above.

2. **Recovery of Unpaid Overtime Wages**
3. **Failure to Provide Meal Periods**
4. **Failure to Provide Rest Periods**
5. **Failure to Provide Accurate Wage Statements**
6. **Failure to Maintain Required Records**
7. **Waiting Time Penalties**
8. **Unfair Competition in Violation of Business & Professions Code Section 17200**
9. **Representative Action for Penalties Pursuant to Labor Code §§ 2698 et seq**

Original Complaint Filed: September 1, 2020

1 COMES NOW Plaintiff ALISON ANDRADE (“Plaintiff”), individually, on behalf of the
2 general public and behalf of all others similarly situated, and asserts claims against Defendant
3 URBAN OUTFITTERS, INC. (“Defendant”) as follows:

4 **I. INTRODUCTION**

5 1. This is a proposed class action for recovery of damages, statutory penalties, and
6 restitution, and to address an employer’s violations of California’s wage and hour laws as well as a
7 representative action for recovery of penalties under the Private Attorneys General Act of 2004
8 (“PAGA”), Cal. Lab. Code sections 2698 et seq. PAGA permits “aggrieved employees” to bring a
9 lawsuit as a representative action on behalf of the general public as private attorney general and all
10 other current and former aggrieved employees, to recover civil penalties and address an employer’s
11 violations of the California Labor Code.

12 2. In this case, Defendant violated various provisions of the California Labor Code and
13 IWC Wage Orders. As set forth below, Defendant implemented policies and practices that led to
14 violations resulting from Defendant’s: (a) failure to accurately pay overtime wages, (b) failure to
15 pay minimum wages (c) failure to provide meal periods and failure to pay an additional hour’s of
16 pay in lieu of providing a meal period; (d) failure to authorize and permit rest breaks for every four
17 hours or major fraction thereof worked and failure to pay an additional hour’s of pay in lieu of
18 providing a rest period; (e) failing to pay all wages earned; (f) failing to pay all wages earned and
19 owed upon separation from Defendant’s employ; (g) failing to provide accurate itemized wage
20 statements; and (h) knowingly and intentionally failing to maintain accurate and complete records.
26 As a result, Plaintiff seeks damages, statutory penalties, penalties under Labor Code 2698, et. seq.
22 on behalf of the general public as private attorney general and all other Aggrieved Employees and
23 restitution on behalf of herself and all other similarly situated individuals.

24 **II. JURISDICTION AND VENUE**

25 3. The California Superior Court has jurisdiction over this action pursuant to
26 California Constitution Article VI, Section 10, which grants the Superior Court “original
27 jurisdiction in all cases except those given by statute to other trial courts.” The statutes under which
28 this action is brought do not give jurisdiction to any other court.

1 4. This Court has jurisdiction over Defendant because, upon information and belief,
2 each Defendant either has sufficient minimum contacts in California, or otherwise intentionally
3 avails itself of the California market so as to render the exercise of jurisdiction over it by the
4 California Courts consistent with traditional notions of fair play and substantial justice.

5 5. Venue of this action is proper in this judicial district pursuant to Code of Civil
6 Procedure section 395. Defendant Urban Outfitters, Inc., is operating and doing business in,
7 California – Los Angeles County, and each Defendant is within the jurisdiction of this Court for
8 service of process purposes. The unlawful acts alleged herein have a direct effect on Plaintiff and all
9 other Aggrieved Employees within the State of California and within Los Angeles County and
10 elsewhere in California.

11 6. On information and belief, Defendant has conducted business within the State of
12 California during the purported class period and continue to conduct business in the State of
13 California. The unlawful acts alleged herein have had a direct effect on Plaintiff, and on the similarly
14 situated non-exempt Class Members within Los Angeles County and elsewhere in California.

15 7. The California Superior Court also has jurisdiction in this matter because on
16 information and belief there are no federal questions at issue, as the issues herein are based solely
17 on California statutes and law, including the California Labor Code, the IWC Wage Orders, the
18 California Code of Civil Procedure, the California Civil Code, and the California Business and
19 Professions Code.

28

2 knowingly or intentionally failing to maintain accurate and complete records.

3 9. On information and belief, during the statutory class period and continuing to the
4 present, Defendant has had a consistent policy of failing to pay minimum wages and overtime wages
5 for hours worked while subject to the control of Defendant.

6 10. On information and belief, during the statutory class period and continuing to the
7 present, Defendant has had a consistent policy of failing to provide certain non-exempt employees

9 of at least (30) minutes per five hours worked and failing to pay such employees one (1) hour of pay
10 at the regular rate of compensation for each workday a meal period was untimely, interrupted and/or
11 not provided, as required by California state wage and hour laws.

12 11. On information and belief, during the statutory class period and continuing to the
13 present, Defendant has had a consistent policy of failing to provide certain non-exempt employees

18 12. On information and belief, during the statutory class period and continuing to the

20 of forty hours in a workweek or more than 8 hours in a workday.

26 13. On information and belief, during the statutory class period and continuing to the
22 present, Defendant has had a consistent policy of failing to pay minimum wages and overtime wages
23 for hours worked while subject to the control of Defendant.

24 14. On information and belief, during the statutory class period and continuing to the
25 present, Defendant has had a consistent policy of requiring its employees within the State of
26 California, including Plaintiff, to work at least five (5) and or ten (10) hours without a meal period
27 and failing to pay such employees one (1) hour of pay at the employees regular rate of compensation
28

1 for each workday that the meal period was untimely, interrupted and/or not provided, as required by
2 California state wage and hour laws.

3 15. On information and belief, as a result of these unlawful acts, Defendant failed to pay
4 the required meal and rest period premiums on days such Aggrieved Employees worked 3.5 hours,
5 six hours, or more than ten hours in a work shift.

6 16. On information and belief, during the statutory class period and continuing to the
7 present, Defendant has had a consistent policy of failing to timely pay wages upon separation of
8 employment.

9 17. On information and belief, during the statutory class period and continuing to the
10 present, Defendant has had a consistent policy of failing to provide accurate itemized wage
11 statements.

12 18. On information and belief, during the statutory liability period and continuing to the
13 present, Defendant has had a consistent policy of knowingly and intentionally failing to maintain
14 accurate and complete records.

15 19. Plaintiff on behalf of the general public as private attorney general and all other
16 Aggrieved Employees brings this action pursuant to Labor Code 2698, et. seq. for violations
17 enumerated under 2699.5 as follows: sections 201-203, 204, 218, 218.5, 218.6, 226, 226(a), 226.3,
18 226.7, 504, 510, 512, 558, 1174, 1174.5, 1175, 1194, 1197, and 1197.1 seeking penalties, interest,
19 attorneys' fees and costs.

20 **III. PARTIES**

26 **A. Plaintiff**

22 20. Plaintiff ALISON ANDRADE, was at all times relevant to this action, a resident of
23 Los Angeles County, California. Plaintiff was employed by Defendant for approximately eight (8)
24 months as a Non-Exempt Employee working as a Back House Specialist/Receiver Specialist earning
25 \$14.50 per hour until her separation from Defendant's employ in approximately May, 2020.

26 21. While employed with Defendant, Plaintiff and other similarly situated non-exempt
27 employees were regularly required to and subsequently suffered:
28

- 1 (a) work in excess of eight (8) hours per day, and/or forty (40) hours per week
2 including working off the clock; all in violation of California labor laws,
3 regulations, and the Industrial Welfare Commission Wage Orders (“IWC”);
4 (b) to perform work subject to the control of the employer without being
5 compensated at least minimum wages and/or overtime wages, all in
6 violation of California labor laws, regulations, and the Industrial Welfare
7 Commission Wage Order (“IWC”);
8 (c) without being permitted or authorized a minimum ten-minute rest period for
9 every four hours or major fraction thereof worked and not compensated one
10 (1) hour of pay at her regular rate of compensation for each workday that a
11 rest period was not provided, all in violation of California labor laws,
12 regulations, and the Industrial Welfare Commission Wage Orders (“IWC”);
13 (d) to work in excess of five hours per day without being provided meal periods
14 and not compensated one (1) hour of pay at the regular rate of compensation
15 for each workday that a meal period was not provided, all in violation of
16 California labor laws, regulations, and the Industrial Welfare Commission
17 Wage Orders (“IWC”);
18 (e) not paid all wages earned within a pay period
19 (f) not being paid all wages due upon separation from Defendant’s
20 employment; and
26 (g) not being provided accurate itemized wage statements.

22 22. Plaintiff also seeks penalties under Labor Code 2698, et. seq. on behalf of the
23 general public as private attorney general and all other aggrieved employees.

24 **B. Defendant**

25 23. Based on information and belief, Defendant Urban Outfitters, Inc. is a multinational
26 lifestyle retail corporation. It operates retail outlets such as Urban Outfitters throughout California
27 and Los Angeles County.

28 24. Based on information and belief, Defendant Urban Outfitters, Inc. is comprised of

1 dozens of retail locations including Urban Outfitters stores, of which there are more than 10 stores
2 in Los Angeles County, and where Plaintiff, Class Members, and other Aggrieved Employees
3 are/were employed.

4 25. Other than identified herein, Plaintiff is unaware of the true names, capacities,
5 relationships and extent of participation in the conduct alleged herein, of the defendants sued as
6 DOES 1 through 20, but is informed and believes and thereon alleges that said defendants are legally
7 responsible for the wrongful conduct alleged herein and therefore sues these defendants by such
8 fictitious names. Plaintiff will amend this complaint when their true names and capabilities are
9 ascertained.

10 26. Plaintiff is informed and believes and thereon alleges that each Defendant, directly
11 or indirectly, or through agents or other persons, employed Plaintiff and other similarly situated
12 individuals, and exercised control over their wages, hours, and working conditions. Plaintiff is
13 informed and believes and thereon alleges that each defendant acted in all respects pertinent to this
14 action as the agent of the other defendants, carried out a joint scheme, business plan or policy in all
15 respects pertinent hereto, and the acts of each defendant are legally attributable to the other
16 defendants.

17 **IV. CLASS ACTION ALLEGATIONS**

18 27. Plaintiff seeks to bring this action as a class action under Code of Civil Procedure
19 section 382. The class Plaintiff seeks to represent is defined as follows: “All individuals employed
20 by Defendant as non-exempt employees who worked at an Urban Outfitters retail store in California
26 between June 28, 2019 and August 31, 2022.”

22 28. Ascertainable Class. The proposed class and subclass are ascertainable as their
23 members can be identified and located using information in Defendant’s payroll and personnel
24 records.

25 29. Common Questions of Law and Fact. This lawsuit is suitable for class treatment
26 because common questions of law and fact predominate over individual issues. Common questions
27 include, but are not limited to, the following: (1) whether Defendant properly calculated and paid all
28 amounts due to the Class Members for wages earned, including minimum and overtime wages, under

1 California law, (2) whether Defendant violated the California Labor Code and/or IWC Wage Orders
2 by withholding wages, including minimum and overtime wages, from the Class Members, (3)
3 whether Defendant violated the California Labor Code and/or IWC Wage Orders by failing to provide
4 the Class Members with all required rest periods on a fully compliant basis; (4) whether Defendant
5 violated the California Labor Code and/or IWC Wage Orders by failing to provide the Class Members
6 with all required meal periods on a fully compliant basis; (5) whether Defendant provided the Class
7 Members with proper, itemized wage statements, (6) whether Defendant timely paid the Class
8 Members all wages due upon termination of employment, (7) whether Defendant's failure to timely
9 pay all wages due upon termination of employment was willful, (8) whether Defendant violated
10 California Business and Professions Code sections 17200, et seq., and (9) whether Defendant jointly
11 employed the Class Members.

12 30. Numerosity. The plaintiff class is so numerous that the individual joinder of all
13 members is impractical under the circumstances of this case. While the exact number of class
14 members is unknown to Plaintiff, Plaintiff is informed and believes the class consists of at least 100
15 individuals.

16 31. Typicality. Plaintiff's claims are typical of the claims of the class and subclass
17 members. Plaintiff suffered a similar injury as the other class members as a result of Defendant's
18 common practices regarding the calculation and payment of wages, including minimum and overtime
19 wages, provision of meal and rest breaks and/or compensation in lieu thereof, provision of wage
20 statements, and payment of wages during employment and due upon termination. In addition,
26 Plaintiff will fairly and adequately protect the interests of the class members. Plaintiff has no interests
22 adverse to the interests of the other class members.

23 32. Superiority. A class action is superior to other available means for the fair and
24 efficient adjudication of this controversy since individual joinder of all members of the class is
25 impractical. Class action treatment will permit a large number of similarly situated persons to
26 prosecute their common claims in a single forum simultaneously, efficiently, and without the
27 unnecessary duplication of effort and expense that numerous individual actions would engender.
28 Furthermore, as the damages suffered by each individual member of the class may be relatively small,

1 the expenses and burden of individual litigation would make it difficult or impossible for individual
2 members of the class to redress the wrongs done to them, while an important public interest will be
3 served by addressing the matter as a class action. The cost to the court system of adjudication of such
4 individualized litigation would be substantial. Individualized litigation would also present the
5 potential for inconsistent or contradictory judgments. Finally, the alternative of filing a claim with
6 the California Labor Commissioner is not superior, given the lack of discovery in such proceedings,
7 the fact that there are fewer available remedies, and the losing party has the right to a trial de novo in
8 the Superior Court.

9 **V. GENERAL ALLEGATIONS**

10 33. Plaintiff is informed and believes, and based thereon alleges, that Defendant
11 employed Plaintiff and the Class Members in Los Angeles County and throughout California during
12 the class period. Plaintiff and Class Members were compensated based upon an hourly rate and have
13 at all relevant times been non-exempt within the meaning of the California Labor Code and the
14 implementing rules and regulations of the IWC California Wage Orders.

15 34. On information and belief, and during the relevant time frame, all Aggrieved
16 Employees are residents of California and citizens of the United States.

17 35. On information and belief, and during the relevant time frame, Defendant
18 implemented a uniform set of policies and practices to all Class Members throughout Los Angeles
19 County, California as all Class Members engaged in the job duties of servicing Defendant's
20 customers by selling items or providing services for their consumption, use, or pleasure.

26 36. On information and belief, during the relevant time frame, Defendant at all
22 relevant times, maintained significant control over Plaintiff and the Class Members, and over their
23 working conditions. Employees frequently worked well over eight (8) hours in a day and forty (40)
24 hours in a work week which including being required to work off the clock.

25 37. On information and belief, during the relevant time frame, Plaintiff and Class
26 Members typically worked three to seven days per week with shifts that were in excess of 5 hours
27 per day and typically, 7.5 to 10 hours per day.

1 38. The workload for Plaintiff and each Class Member was structured by Defendant,
2 and Plaintiff and the Class Members had no control over which tasks they were to complete each
3 day. Plaintiff and the Class Members were required to be on duty, working, and being available to
4 answer communications, at all times during their shift.

5 39. Defendant had the power to train, discipline, supervise, and terminate Plaintiff and
6 the Class Members. Plaintiff and the Class Members dealt with Defendant's managerial and
7 supervisory personnel on a daily basis and received their assignments from Defendant.

8 40. The work performed by Plaintiff and the Class Members required no specialized
9 skill and is part of the regular business of Defendant.

10 41. Plaintiff is informed and believes that she and the Class Members were not
11 compensated for all time worked as Defendant would regularly suffer and permit Plaintiff and
12 Class Members to work off the clock, but Plaintiff and Class Members were not compensated for
13 hours worked off the clock. For example, Defendant did not compensate Plaintiff and Class
14 Members for time spent undergoing mandatory security checks. This policy resulted in Plaintiff
15 and Class Members being subjected to Defendant's unlawful policy of not compensating Plaintiff
16 and Class Members for all hours worked including overtime. Class Members were not
17 compensated for hours worked off the clock by, among other things, requiring employees to
18 receive work related calls while employees were off the clock. As a result, Defendant failed to pay
19 Plaintiff and the Class Members for all hours worked at a rate no less than the applicable minimum
20 or overtime wage.

26 42. Plaintiff is informed and believes that she and the Class Members were not
22 properly compensated for all overtime worked as Defendant would fail to compensate employees
23 for all time worked or reduce time worked to eliminate overtime worked by Plaintiff and the Class
24 Members. As a result, Defendant failed to pay Plaintiff and the Class Members for all overtime
25 hours worked at the applicable overtime rate.

26 43. Plaintiff is informed and believes that Plaintiff and the Class Members were
27 caused to endure unprovided, untimely, shortened and/or interrupted meal periods of at least thirty
28 (30) minutes for many of the work days such employees worked more than five hours, were not

1 provided uninterrupted second meal periods of at least thirty (30) minutes for any work days such
2 employees worked more than ten (10) hours, and were not paid one (1) hour of premium wages at
3 the regular rate of compensation in lieu thereof, all in violation of the California Labor Code.

4 44. Plaintiff is informed and believes that Plaintiff and Class Members were regularly
5 required to work in excess of six (6) hours per day without Defendant providing them a timely,
6 uninterrupted (30) minute meal period as mandated under the California Labor Code and the Class
7 Members were required to take late or shortened meal periods when they received any meal break
8 at all, because Plaintiff and Class Members were required to remain on duty at all times because
9 the store was too busy and/or no one was scheduled to cover for them and did not leave sufficient
10 time to take a fully-compliant meal period. Further, Defendant's employees were required to go
11 through mandatory security checks every time they left the store, and would order Class Members
12 to either skip their lunch (while still clocking out) or remain in communication with Defendant
13 throughout their meals. Accordingly, Plaintiff and the Class Members were not provided lawful
14 meal periods and were not provided with one hour of wages in lieu thereof under Defendant's
15 policies and practices, which included work schedules placed upon the Class Members from
16 Defendant's management and supervisors to perform work at the expense of their meal periods and
17 Defendant's implementation of a shift schedule and workload requirements that denied Class
18 Members all of their authorized meal periods, including second meal periods on shifts when they
19 worked over ten (10) hours in a day. Plaintiff and the Class Members did not waive any of their
20 authorized and required meal periods, nor did they receive one hour of regular pay for each day
26 Defendant failed to provide a lawful meal period.

22 45. Plaintiff is informed and believes that during the class period, Plaintiff and the
23 Class Members were consistently required to work in excess of four (4) hours (or major fraction
24 thereof) without receiving lawful ten (10) minute rest periods, and were not paid one (1) hour of
25 premium wages at the regular rate of compensation in lieu thereof, all in violation of the California
26 Labor Code. On information and belief, Defendant's management would push Plaintiff and Class
27 Members to remain working based on the volume of customers in the store and as a result would
28 often have to take short or late rest periods or missed rest periods completely because they were

1 required to remain on duty and respond to calls throughout their day, including breaks, which did
2 not leave sufficient time to take all required rest periods on a fully-compliant basis. Further,
3 Defendant would order Class Members to either skip their breaks or cut their breaks short and
4 return to work early during their breaks. Accordingly, Plaintiff and the Class Members were not
5 provided lawful rest periods and were not provided with one hour of wages in lieu thereof under
6 Defendant's policies and practices including Defendant's implementation of a work schedule and
7 workload requirements that denied and failed to provide the Class Members all of their authorized
8 rest periods, including first rest periods of at least ten (10) minutes for every shift worked of at
9 least three and a half (3 1/2) to four (4) hours, a first and second rest period of at least ten (10)
10 minutes for every shift worked greater than six (6) hours, and a third rest period of at least ten (10)
11 minutes for every shift worked in excess of ten (10) hours.

12 46. Defendant did not fully compensate Plaintiff and the Class Members for hourly
13 wages during the class period, including by virtue of the fact that Defendant did not compensate
14 Plaintiff and Class Members with one extra hour of pay for Defendant's failure to provide such
15 Class Members with each of their authorized rest breaks and meal periods during the rest and meal
16 period liability period.

17 47. On information and belief, Defendant also failed to accurately pay overtime wages
18 owed to Plaintiff and Class Members by failing to compensate them for off the clock work and
19 hours worked over eight hours in a workday or over 40 hours in the workweek at one and one-half
20 times the Class Members regular rate of pay.

26 48. Upon information and belief, Defendant failed to provide accurate itemized wage
22 statements to Plaintiff and the Class Members as no wage statements were provided or failed to
23 accurately account for, inter alia, gross wages earned, total hours worked. Further, Defendant
24 failed to provide accurate wage statements as Defendant's wage statements do not identify
25 premium pay as required by Labor Code § 226., and net wages earned.

26 49. Upon information and belief, Defendant failed to timely pay Plaintiff and the Class
27 Members all hours worked in a pay period pursuant to Labor Code §204 et. seq, wages due and
28 owing upon separation of employment.

1 50. Upon information and belief, Defendant failed to maintain accurate records
2 pursuant to Labor Code § 1174.5.

3 51. Upon information and belief, Defendant knew and or should have known that it is
4 improper to implement policies and commit unlawful acts such as:

- 5 (a) employees to work over eight (8) hours in a day and forty (40) hours in a work
6 week without being provided the required overtime pay;
- 7 (b) requiring employees to perform work subject to the control of the Defendant
8 without being compensated at least minimum wages;
- 9 (c) requiring employees to work four (4) hours or a major fraction thereof without
10 being provided a minimum ten (10) minute rest period and without compensating the
11 employees with one (1) hour of pay at the employees' regular rate of compensation for
12 each workday that a rest period was not provided;
- 13 (d) requiring employees to work in excess of five (5) hours or ten (10) hours per day
14 without being provided an uninterrupted thirty- minute meal period and/or a second
15 meal period, and without compensating employees with one (1) hour of pay at the
16 regular rate of compensation for each workday that such a meal period was not
17 provided;
- 18 (e) failing to pay all wages earned upon separation from Defendant's employ;
- 19 (f) failing to pay all waged earned in a pay period; and
- 20 (g) failing to provide accurate itemized wage statements.

26 52. In addition to the violations above, and on information and belief, Defendant knew
22 they had a duty to compensate Plaintiff and Class Members for the allegations asserted herein, and
23 that Defendant had the financial ability to pay such compensation, but willfully, knowingly,
24 recklessly, and/or intentionally failed to do so.

25 **FIRST CAUSE OF ACTION**

26 (Recovery of Unpaid Minimum Wages – Labor Code §§ 1194 and 1194.2)

27 53. Plaintiff incorporates by reference the allegations contained in the preceding
28 paragraphs.

1 54. As alleged herein, Plaintiff and the Class Members regularly worked hours for which
2 they were not compensated by Defendant as required by California law, including hours worked off
3 the clock, such as those hours worked while purportedly clocked out for meal periods, which resulted
4 in an overall loss of compensable hours worked and underpayment of wages.

5 55. Pursuant to Labor Code §§ 1194 and 1194.2, Plaintiff and the Class Members are
6 entitled to recover all unpaid minimum wages and liquidated damages, plus attorney's fees and costs,
7 in an amount to be proved at trial.

8 **SECOND CAUSE OF ACTION**

9 (Recovery of Unpaid Overtime Wages – Labor Code §§ 510 and 1194)

10 56. Plaintiff incorporates by reference the allegations contained in the preceding
11 paragraphs.

12 57. As alleged herein, Plaintiff and the Class Members regularly worked overtime hours
13 for which they were not compensated by Defendant as required by California law, including hours
14 worked being lost due to Defendant's failure to compensate employees for all time worked, unpaid
15 meal periods where Plaintiff and Class members were clocked out but were required to communicate
16 with Defendant, and Defendant's reduction of time worked to eliminate overtime worked by Plaintiff
17 and the Class Members. These policies of Defendant resulted in an overall loss of compensable
18 overtime hours worked and underpayment of overtime wages, including failing to pay overtime at
19 the correct rate of pay for hours worked over eight hours in a workday or over 40 hours in the
20 workweek.

26 58. Pursuant to Labor Code §§ 510 and 1194, Plaintiff and the Class Members are entitled
22 to recover all unpaid overtime wages, plus attorney's fees and costs, in an amount to be proved at
23 trial.

24 **THIRD CAUSE OF ACTION**

25 (Failure to Provide Meal Periods or Compensation in Lieu Thereof -- Labor Code §§ 512 and
26 226.7)

27 59. Plaintiff incorporates by reference the allegations contained in the preceding
28 paragraphs.

1 60. As alleged herein, Plaintiff and the Class Members regularly worked periods of
2 more than five hours in a workday without being provided a mandatory thirty-minute, duty-free
3 meal period. Defendant also failed to pay Plaintiff and the class members an additional hour of
4 wages at their regular rate for each workday a meal period was not provided. Defendant failed to
5 pay these required premiums at the correct rate of pay.

6 61. As a result, under Labor Code sections 512 and 226.7, Plaintiff and the Class
7 Members are entitled to one additional hour’s pay for each day a meal period was missed, all in an
8 amount to be proved at trial.

9 **FOURTH CAUSE OF ACTION**

10 (Failure to Provide Rest Periods or Compensation in Lieu Thereof -- Labor Code § 226.7)

11 62. Plaintiff incorporates by reference the allegations contained in the preceding
12 paragraphs.

13 63. As alleged herein, Defendant failed to provide Plaintiff and the Class Members all
14 required and/or fully compliant rest periods, or compensation in lieu thereof. Defendant employed
15 policies and procedures that ensured Plaintiff and the Class Members would not receive all legally
16 required rest periods, as Defendant did not authorize and permit all required rest periods in strict
17 accordance to, and in compliance with, the timing requirements of all applicable Wage Orders.
18 Defendant similarly employed policies and procedures that rendered rest breaks non-compliant with
19 the requirements of California law by, inter alia, failing to relieve Plaintiff and the Class Members of
20 all duties and all employer control. Defendant further employed policies and procedures ensuring
26 Plaintiff and the Class Members did not receive premium wages to compensate them for workdays
22 they did not receive all legally required and fully compliant rest periods, including Defendant’s
23 failure to pay these required premiums at the correct rate of pay.

24 64. Defendant failed to provide Plaintiff and the Class Members with all required rest
25 periods, or with compensation in lieu thereof. As a result, under Labor Code section 226.7, Plaintiff
26 and the Class Members are entitled to one additional hour’s pay for each day a rest period was missed
27 or was not fully compliant, all in an amount to be proved at trial.

28 **FIFTH CAUSE OF ACTION**

1 (Failure to Provide Accurate Wage Statements – Labor Code § 226)

2 65. Plaintiff incorporates by reference the allegations contained in the preceding
3 paragraphs.

4 66. As alleged herein, Defendant knowingly and intentionally failed to provide Plaintiff
5 and the class members with proper, itemized wage statements by, inter alia, failing to fully and
6 accurately report, inter alia, gross wages earned, total hours worked, net wages earned, and all
7 applicable hourly rates in effect during the pay period and all hours worked at each rate.

8 67. Accordingly, under Labor Code § 226, Plaintiff and the Class Members each are
9 entitled to statutory penalties in the amount of \$50.00 for the initial pay period in which a violation
10 occurred, and \$100.00 for each subsequent pay period in which a violation occurred, up to an
11 aggregate penalty of \$4,000.00 per employee, plus attorney's fees and costs, all in an amount to be
12 proved at trial.

13 **SIXTH CAUSE OF ACTION**

14 (Failure To Maintain Required Records - Cal. Labor Code §§ 226, 1174)

15 68. Plaintiff incorporates by reference and re-alleges as if fully stated herein the
16 material allegations set out above in the preceding paragraphs.

17 69. During the Class Period, as part of Defendant's illegal payroll policies and practices
18 intended to deprive Plaintiff and other Class Members of all wages earned and due, Defendant
19 knowingly and intentionally failed to maintain records as required under California Labor Code
20 section 226, 1174, and the applicable Industrial Wage Order, including but not limited to the
26 following records: total daily hours worked by each employee; applicable rates of pay; all
22 deductions; meal periods; time records showing when each employee begins and ends each work
23 period; and accurate itemized statements.

24 70. As a proximate result of Defendant's unlawful actions and omissions, Plaintiff and
25 other Class Members have been damaged in an amount according to proof at trial, and are entitled
26 to all wages earned and due, plus interest thereon. Additionally, Plaintiff and other Class Members
27 are entitled to all available statutory penalties, including but not limited to civil penalties pursuant
28 to California Labor Code sections 226(e), 226.3, and 1174.5, and an award of attorneys' fees, and

1 expenses and costs of suit, including but not limited to those provided in California Labor Code
2 section 226(e) as well as other available remedies.

3 **SEVENTH CAUSE OF ACTION**

4 (Waiting Time Penalties – Labor Code §§ 201, et seq.)

5 71. Plaintiff incorporates by reference the allegations contained in the preceding
6 paragraphs.

7 72. The California Labor Code provides that, at the time of termination of employment,
8 the employer must pay an employee all wages due and owing within the time frames set forth in
9 Labor Code sections 201, et seq. As alleged herein, Defendant willfully failed to pay Plaintiff and
10 the Class Members who no longer are employed with Defendant all wages due and owing within
11 the deadlines set forth in Labor Code sections 201, et seq.

12 73. Under Labor Code section 203, Plaintiff and the Class Members who no longer are
13 employed with Defendant is entitled to recover waiting time penalties of up to 30 days' pay, plus

19 75. As alleged herein, Defendant's failure to, inter alia, pay all wages earned, including
20 minimum and overtime wages, and failure to pay premium wages in lieu of missed or non-

22 an unlawful, unfair or fraudulent business act or practice, in violation of Business & Professions
23 Code §§ 17200, et seq.

24 76. Pursuant to Business & Professions Code § 17203, Plaintiff and the Class Members
25 are entitled to restitution of all unpaid wages and other sums owed, plus attorney's fees and costs,
26 in an amount to be proved at trial.

27 **NINTH CAUSE OF ACTION**

28 (Representative Claims Pursuant to the Private Attorneys General Act-Labor Code §§ 2698 et seq.)

1 77. Plaintiff incorporates by reference and re-alleges each and every allegation
2 contained above, as though fully set forth herein.

3 78. On or about June 25, 2020 Plaintiff complied with notice requirements pursuant to
4 Labor Code section 2699.3. A copy of the submission to LWDA is attached hereto as Exhibit A. A
5 copy of Plaintiff's letter to Defendant indicating that they were put on notice of the claims alleged
6 here and that the notice requirement has been satisfied is attached as Exhibit B. Sixty-five days
7 have passed and the LWDA has not indicated intent to investigate the claims. Therefore, Plaintiff
8 may proceed with this action in a representative capacity. The substance and violations set forth in
9 this Complaint of which the LWDA was provided timely notice, Plaintiff has/will also send a copy
10 of this PAGA Representative Action Complaint to the LWDA.

11 79. Plaintiff is an aggrieved employee as defined in Labor Code Section 2699(a).
12 Plaintiff bring this cause of action on behalf the general public and all Aggrieved Employees,
13 acting on behalf of the California Attorney General as private attorney general.

14 80. Pursuant to Labor Code section 2699(a) Plaintiff seeks to recover civil penalties
15 due and owing for which Defendant is liable due to numerous Labor Code violations as set forth in
16 this Complaint, including without limitation Labor Code section 201-204, 218, 218.5, 218.6, 226,
17 226(a), 226.3, 226.7, 504, 510, 512, 558, 1174, 1174.5, 1175, 1194, 1197, 1197.1, and 2698 et
18 seq., applicable IWC Wage Orders and California Code of Regulations, Title 8, section 11000 et.
19 seq.

20 81. At all times relevant, Plaintiff and all other Aggrieved Employees regularly
26 performed non-exempt work in excess of 50% of the time, and thus, were subject to the meal and
22 rest break requirements of the applicable IWC wage order and the Labor Code.

23 82. Defendant violated Labor Code sections 510, 558, and 1194, among others, by
24 failing to accurately pay overtime wages as discussed above due to Defendant's unlawful off the
25 clock policy and failure to pay all hours worked in excess of eight hours in a day and/or 40 hours
26 in a workweek. Therefore, Defendant violated section 510, 558 and 1194 by not compensating its
27 Aggrieved Employees for work performed in excess of eight hours (8) in a day or forty hours in a
28 work week (40). Section 510 of the Labor Code codifies the right to overtime compensation at the

1 rate of one and one-half times the regular rate of pay for all hours worked in excess of eight (8)
2 hours in a day or forty (40) hours in a work week and to overtime compensation twice the regular
3 rate of pay for hours worked in excess of twelve (12) hours in a day or in excess of eight (8) hours
4 in a day on the seventh day of work in a particular work week.

5 83. Defendant also violated Labor Codes sections 200 et seq., 1194, and 1197 for
6 failing to pay minimum wages as described above. Labor Code §1197 provides that employees are
7 to be paid minimum wage for each hour worked, and cannot be averaged the minimum and the
8 payment of a lesser wage than the established is unlawful.

9 84. Defendant violated Labor Code sections 512 and 226.7 for failing to provide
10 timely, uninterrupted meal periods and requiring unlawful on duty meal periods, or compensation
11 in lieu thereof. Pursuant to Labor Code section 512, no employer shall employ an employee for a
12 work period of more than five (5) hours without providing a meal break of not less than thirty (30)
13 minutes in which the employee is relieved of all of his or her duties. An employer may not employ
14 an employee for a work period of more than ten (10) hours per day without providing the
15 employee with a second meal period of not less than thirty (30) minutes, except that if the total
16 hours worked is no more than twelve (12) hours, the second meal period may be waived by mutual
17 consent of the employer and the employee only if the first meal period was not waived.

18 85. Defendant failed to provide Plaintiff and all other Aggrieved Employees
19 uninterrupted duty free first meal periods of not less than thirty (30) minutes. Defendant
20 implemented and enforced policies of on duty meal period practices which required employees to
26 work during their meal periods, to forego their meal periods, and/or to return to work from meal
22 periods prior to thirty (30) uninterrupted minutes. As a proximate result of the aforementioned
23 violations, Plaintiff and all other Aggrieved Employees have been damaged in an amount
24 according to proof at time of trial.

25 86. Plaintiff, and on information and belief, all Aggrieved Employees, were
26 systematically not permitted or authorized to take one ten-minute rest period for every four hours
27 worked or major fraction thereof, which is a violation of the Labor Code and IWC wage order 4-
28 2001, section 12. On shifts where Plaintiff worked in excess of three and half hours they were

1 routinely not permitted and authorized to take lawful rest periods. Plaintiff and on information and
2 belief, Aggrieved Employees, were not compensated with one hour of wages for every day in
3 which a rest period was missed, untimely or cut short as a result of Defendant's policies, practices,
4 or work demands. By failing to authorize and permit a ten-minute rest period for every four hours
5 or major fraction thereof worked per day, and by failing to provide compensation for such
6 unprovided rest periods as alleged above, Defendant willfully violated the provisions of Labor
7 Code sections 226.7, 512 and the applicable IWC Wage Order.

8 87. On information and belief, Defendant failed to provide accurate itemized wage
9 statements pursuant to Labor Code section 226 which failed to include, all hours worked, including
10 off the clock, overtime and the accurate overtime rate, and the lawful meal and rest period
11 premiums earned, which are due and owing to Plaintiff and the Aggrieved Employees. As a result,
12 Plaintiff and Aggrieved Employees were harmed as they are unable to determine if they were
13 appropriately compensated for all hours worked.

14 88. On information and belief, Defendant failed to maintain accurate records as
15 required by Labor Code section 1174.5.

16 89. As a result of Defendant's unlawful conduct, Plaintiff and Aggrieved Employees
17 are entitled to penalties to the extent they were not paid at the prevailing wage rate for all hours
18 worked.

19 90. Plaintiff and the Aggrieved Employees are entitled to recover Penalties and attorneys'
20 fees and costs under Labor Code section 2698, et. seq
