

CLASS ACTION SETTLEMENT AGREEMENT AND RELEASE

Gloria Munguia v. Wyckoff Farms, Incorporated

Subject to the approval of the Superior Court for the State of Washington, in and for the County of Yakima, Plaintiff Gloria Munguia, individually and on behalf of all Class Members, as defined herein, and Defendant Wyckoff Farms, Incorporated, agree to the terms of this Class Action Settlement and Release (the "Settlement").

As of the date of this Agreement, Defendant represents there are approximately 4,000 Class Members.

5. "Claims Deadline" shall mean the date by which Claim Forms must be postmarked and/or received by the Settlement Administrator. The Parties agree to request that the Court set the Claim Deadline seventy-five (75) calendar days after the initial mailing of the Claim Form.

6. "Claim Form," shall mean a proof of claim in substantially the form as **Exhibit B** attached hereto. It is the Claim Form, approved by the Parties and subject to Court approval, which the Settlement Administrator will mail to each Class Member explaining how each Class Member can claim their Individual Settlement Payment.

7. "Claim Share" or "Individual Settlement Payment" shall mean the amount of money allocated to each Class Member pursuant to Paragraph 59 of this Settlement.

8. "Claiming Class Member" shall mean a Class Member who submits a timely and valid Claim Form.

9. "Piece Rate Hours" shall mean the total number of hours during which a Class Member worked for Defendant for piece rate compensation during the Class Period.

10. "Class Representative," "Plaintiff" and "Named Plaintiff" shall mean Gloria Munguia, the person identified as named Plaintiff in the Action.

11. "Class Notice" shall mean the Notice of Class Action Settlement, attached hereto as **Exhibit A**. It is the Notice, approved by the Parties and subject to Court approval, which the Settlement Administrator will mail to each Class Member explaining the terms of the Settlement.

12. "Court" shall mean the Superior Court for the State of Washington, in and for the County of Yakima.

13. "Class Period" shall mean the period from May 11, 2015 through May 31, 2018 (since Defendant began paying for orientation time, training time, and for travel time between non-adjacent fields or orchards on June 1, 2018).

14. "Defendant," "Wyckoff" or the "Company" shall mean Wyckoff Farms, Inc.

15. "Dispute Deadline" shall mean the deadline regarding any disputes concerning the gross payroll listed on the Claim Form that Class Members received during the Class Period. The Dispute Deadline is seventy-five (75) calendar days after the initial mailing of the Class Notice and Claim Form by the Settlement Administrator, or other date set by the Court.

16. "Final" shall mean the latest of the following dates, as applicable: the date the Court has rendered a Final Judgment of the Settlement and either (i) the Washington State Supreme Court or the U.S. Supreme Court has rendered a final judgment affirming the Court's approval without material modification and the applicable date for seeking further appellate review has passed, or (ii) the applicable date for seeking appellate review of the Court's Final

Judgment of the Settlement has passed without a timely appeal or a request for review having been made.

17. "Final Judgment" shall mean the order granting final approval of the class action settlement entered by the Court.

18. "Gross Settlement Amount" shall mean the maximum settlement amount of \$170,000.00 that Defendant will be obligated to pay under the terms of this Settlement. From the Gross Settlement Amount ("GSA") will be deducted the following costs associated with the Settlement: Plaintiff's Class Representative Payment (\$5,000.00); Class Counsel's attorneys' fees (which will be sought at 22% of the GSA, i.e., up to \$37,400.00) and litigation expenses (up to \$5,000.00) (including all attorneys' fees and expenses incurred to date and to be incurred in documenting the Settlement, securing trial and/or appellate court approval of the Settlement, attending to the administration of the Settlement, and obtaining final Judgment in the Action); and the Settlement Administrator's fees and expenses (estimated to be no more than \$35,000.00, or the actual amount of the lowest bid accepted by the Parties).

19. "Settlement Proceeds" or "Net Settlement Amount" shall mean: the amount remaining in the Gross Settlement Amount after all applicable deductions set forth in Paragraph 18 have been deducted. The Net Settlement Amount, estimated to be approximately \$87,600.00, will be available to be claimed by the Class Members. Defendant will be obligated to pay out only the portion of the Net Settlement Amount claimed by Class Members, except that, regardless of the actual amount of the Net Settlement Amount claimed, Defendant will be obligated to pay out at least 75% of the Net Settlement Amount to the Class Members who submit timely Claim Forms. If more than 75% of Net Settlement Amount is claimed, Defendant shall be obligated to pay out the actual amount claimed, but any unclaimed amounts over the 75% floor shall first be applied against the employer's portion of the payroll taxes on the wage component of the individual settlement awards, and if there are still any unclaimed amounts, they will remain with Defendant.

20. "Individual Settlement Payment" shall mean the Settlement Proceeds available to be claimed for each individual Class Member.

21. "Opt-Out Deadline" shall mean the date by which a Class Member must exclude himself or herself from the Class (hereinafter referred to at times as "opt-out") in the manner provided herein or by order of the Court. The Opt-Out Deadline shall be seventy-five (75)

calendar days after the initial mailing of the Class Notice and Claim Form by the Settlement Administrator.

22. "Participating Class Members" shall mean all Class Members other than those who timely and properly opt-out of (i.e., request exclusion from) the Settlement.

23. "Parties" shall mean Class Members, the Class Representative, and Defendant, and "Party" shall mean any one of the Parties.

24. "Settlement" shall mean this settlement agreement between the Parties, which, with Court approval, is intended to provide the terms relevant to the resolution of the Action with respect to all Participating Class Members.

25. "Settlement Administrator" shall mean the Settlement Administrator mutually selected by the Parties to perform the duties set forth in this Settlement, subject to the Court's approval. The Parties will jointly agree on the administrator before Plaintiff files a motion for preliminary approval of the Settlement.

26. The "Settlement Administrator's fees and expenses" shall mean the amount charged by the Settlement Administrator to administer the settlement, including but not limited to calculating settlement shares, sending out Class Notices and Claim Forms (in both English and Spanish), sending weekly updates to counsel of the results of the claims process, calculating and paying the applicable taxes related to the Settlement, responding to inquiries from Class Members, providing a declaration summarizing the results of the claim process, including amount claimed, number of class members who submitted timely claims, amount of requests for exclusion (if any), evaluating any challenges to piece-rate hours, and providing any objections to counsel, and other tasks normally associated with administering a class action settlement. The Settlement Administrator's fees and expenses are estimated to be no more than \$35,000, but the project will be bid out to several settlement administrators prior to the preliminary approval hearing, and the parties will jointly agree upon the administrator based on the lowest bid response among the competent settlement administrators who bid on the project.

27. "Settlement Effective Date" shall mean the date by which all of the following have occurred: (i) this Settlement Agreement has been executed by Plaintiff, Class Counsel, Defendant, and Defense Counsel; (ii) the Parties, or any one of them, has not voided this Settlement pursuant to Section XVIII; (iii) the Court has granted Preliminary Approval; (iv) notice has been given to the Class Members providing them with an opportunity to opt-out of the

Settlement or to submit Claim Forms; (v) the Court has granted Final Approval and entered Final Judgment as to this Settlement; and (vi) the later of the following events: the expiration of the period for filing any appeal, writ, or other appellate proceeding opposing the Settlement has lapsed without any appeal, writ, or other appellate proceeding having been filed; or the dismissal of any appeal, writ, or other appellate proceeding opposing the Settlement with no right to pursue further remedies or relief; or any appeal, writ, or the issuance of such other final appellate order upholding the Court's final order with no right to pursue further remedies or relief.

II. RECITALS

28. On May 11, 2018, Plaintiff commenced the Action on behalf of herself and all others allegedly similarly situated with respect to the claims asserted.

29. Following the filing of Plaintiff's Complaint, Plaintiff and Defendant agreed to engage in informal discovery and mediation.

30. The Parties agreed to, and through their counsel, retained Louis D. Peterson as the neutral. Louis D. Peterson is an experienced class action mediator, with extensive knowledge of wage and hour laws. The Parties each submitted detailed briefs to Mr. Peterson in advance of the mediation.

31. As part of informal discovery, Defense Counsel produced, among other items, (1) a checklist providing a list of non-productive work and the status of whether each is compensated, and (2) Plaintiff's Employee File.

32. On November 19 and 20, 2018, the Parties engaged in a private, arm's-length mediation in Seattle, Washington and agreed to resolve this matter under the terms of this Agreement. During mediation, Defendant's counsel provided updated facts and class data relating to the types of non-productive tasks at issue, the amount of time spent by the Class Members on such non-productive tasks, and the amount of compensation paid to the Class Members on a piece-rate basis during the Class Period.

33. Defendant denies any liability or wrongdoing of any kind associated with the claims alleged, and contends that, for any purpose other than this Settlement, the Action is not appropriate for class treatment under Washington CR 23, or otherwise. The Parties agree, however, that it is appropriate to certify the class for purposes of this Settlement only.

34. Class Counsel represent that they have conducted a thorough investigation into the facts of this Action, and have diligently pursued an investigation of the Class Members'

claims against Defendant, including engaging in pre-negotiation investigation, reviewing substantial data and documents, and researching the applicable law and potential defenses. Based on their own independent investigation and evaluation, Class Counsel are of the opinion that the Settlement is fair, reasonable and adequate and is in the best interests of Class Members in light of all known facts and circumstances, including the risk of protracted litigation, the risk that the Court would not certify a class action, and Defendant's defenses and potential appellate issues, including risks associated with Defendant's potential defenses to class certification, to retroactivity, and to liquidated damages, among other things.

35. Defendant agrees it shall provide a sworn confirmatory declaration to Plaintiff's counsel that it has fully paid for travel between non-adjacent fields and orchards and for all orientation and training time since May 31, 2018. Defendant also contends that its operations and practices mitigate or eliminate other allegedly non-productive time for piece-rate workers, including (1) waiting to pick fruit/produce and/or prune and/or thin during rain/weather delays; (2) transporting ladders or other equipment to and from company trailers; and (3) storing equipment and materials. The Settlement here was based on calculations and estimations involving unpaid training time, unpaid orientation time, and for travel time between non-adjacent fields, although the release includes all non-productive time. The Parties disputed, and by this Settlement resolve, the issue of whether movement between adjacent fields and other allegedly non-productive time in and around the orchards and fields was included within the scope of the piece-rate wage arrangement.

36. Defendant will not object to Plaintiff's assertion in legal filings that this lawsuit catalyzed its decision to begin paying for non-productive time separately and hourly to ensure compliance with Washington Law.

37. Defendant agrees that the Settlement is fair, reasonable and adequate under the circumstances, taking into account litigation risks and costs of defense.

38. This Settlement represents a compromise of materially disputed claims. Nothing in this Settlement is intended or will be construed as an admission by Defendant that Plaintiff's claims in the Action have merit or that Defendant has any liability to Plaintiff or the Class Members on those claims.

39. The entry of Final Judgment in this action shall bind all Participating Class Members to the Release of all claims set forth in this Agreement, and it will also state that the Court retains jurisdiction to enforce the terms of the Settlement.

III. TERMS OF SETTLEMENT

40. The Parties agree that, with the Court's approval, the Court shall certify a Class consisting of the Class Members as defined above solely for the purpose of implementing the terms of this Settlement.

41. Gross Settlement Amount: The Gross Settlement Amount under this Settlement is \$170,000.00, as defined above.

42. Class Counsel's Attorneys' Fees and Costs: Defendant will not oppose Class Counsel's request to the Court for approval of a total for attorneys' fees in the amount that does not exceed 22% of the Gross Settlement Amount (i.e., \$37,400.00) plus actual litigation costs incurred up to \$5,000.00, to be paid out of the Gross Settlement Amount. Defendant will issue to Class Counsel a Form 1099 with respect to their awarded fees and costs.

43. Class Representative Payment: Defendant will not oppose Plaintiff's application to the Court for a Class Representative Payment not to exceed \$5,000.00 to the named Class Representative, to be paid out of the Gross Settlement Amount, in addition to her Individual Settlement Payment. Defendant will issue to the Class Representative a Form 1099 with respect to her Class Representative Payment.

44. Distribution to Class Members: The Parties agree that the settlement funds will be placed in an account held by the Settlement Administrator to effectuate the terms of this Settlement and the orders of the Court. The Settlement Administrator shall be responsible for establishing, administering, and otherwise operating the settlement fund, including the preparation and filing of federal, state, and/or local tax returns. The Settlement Administrator shall also be responsible for administering the settlement distribution process, as follows:

(a) After deductions of Court-approved Class Counsel's attorneys' fees and expenses, and the Class Representative Payment, the remainder of the Gross Settlement Amount (i.e., the Settlement Proceeds or Net Settlement Amount) shall be available to be claimed by the Class Members.

(b) The Settlement Proceeds, or Net Settlement Amount, shall be allocated as Claim Shares to every Participating Class Member who submits a timely Claim Form in

accordance with the provisions of Section V of this Settlement, i.e., to the Claiming Class Members.

(c) The Settlement Proceeds shall be distributed via US Mail to all Claiming Class Members from the office of the Settlement Administrator.

(d) Regardless of the actual amount of the Net Settlement Amount that is claimed, at least 75% of the Net Settlement Amount shall be distributed to the timely Claimants. If more than 75% of the Net Settlement Amount is claimed, then Defendant shall pay out the actual amount claimed, but any unclaimed amounts over the 75% floor shall first be applied against the employer's portion of the payroll taxes on the wage component of the individual settlement awards, and if there are still any unclaimed amounts, they will remain with Defendant.

45. Settlement Funding Date: Within ten (10) days of the Settlement Effective Date, Defendant shall fund the Settlement by tendering the Gross Settlement Amount less any reversion to the Settlement Administrator.

46. Settlement Payment Date: Within twenty-one (21) days after the Settlement Effective Date, the Settlement Administrator shall mail the Individual Settlement Payments to Claiming Class Members; make payment of Court approved attorneys' fees and costs to appropriate counsel; and make payment of the Class Representative Payment, as approved by the Court.

47. Unclaimed Funds and Potential Partial Reversion to Defendant: If any funds are unclaimed above the 75% floor, then those funds shall first be applied against the employer's portion of the payroll taxes on the wage component of the individual settlement awards, and if there are still any unclaimed amounts, they will remain with Defendant. If any Class Members opt-out of the Settlement, their portion of the Settlement shall remain with the Settlement Proceeds for distribution pro rata to the Class Participants. If any Class Members do not cash their checks within the 90-day Check Cashing Period following the mailing of Individual Settlement Payments, any amounts associated with those Class Members' uncashed checks will be sent to the Washington State Unclaimed Property Fund in the name of the Class Member who filed a timely claim but did not cash his or her check.

IV. NOTICE TO THE CLASS MEMBERS

48. Within twenty-one (21) days after the Court's entry of its order granting preliminary approval, Defendant will provide the Settlement Administrator with the names, last-known addresses, phone numbers, Social Security numbers, and the number of Piece Rate Hours, as that term is defined in the Claim Form, of the Class Members as appearing in Defendant's business records.

49. The Settlement Administrator shall send the Class Notice to the Class Members in the form attached as **Exhibit A**, as well as the Claim Form attached as **Exhibit B**, by first class mail within thirty (30) days after receiving the Class Member information from Defendant.

50. The Settlement Administrator will use reasonable tracing to verify the accuracy of the addresses before the initial mailing to ensure that the Class Notice and Claim Form are sent to Class Members at the addresses most likely to result in prompt receipt. It will be conclusively presumed that if an envelope so mailed has not been returned within thirty (30) days of the mailing that the Class Member received the Class Notice and Claim Form. With respect to envelopes returned as undeliverable, the Settlement Administrator will use reasonable diligence to obtain a current address and re-mail the envelope to such address. With respect to any returned envelopes with forwarding addresses, the Settlement Administrator will forward the envelopes to the given addresses promptly.

V. CLASS NOTICE AND CLAIM FORM DISSEMINATION PROCESS

51. The Class Notice and Claim Form distributed to Class Members, attached substantially hereto as Exhibits A and B, respectively, or as otherwise approved by the Court, shall be sent by the Settlement Administrator in English and in Spanish to each Class Member by first-class mail within thirty (30) calendar days after the Settlement Administrator receives the information from Defendant as set forth above in Paragraph 48.

52. The Class Notice and Claim Form will explain that the Class Members who wish to receive any portion of the Settlement must submit a timely and valid Claim Form. Only those who submit a timely and valid Claim Form can receive a portion of the Settlement Proceeds. Each Participating Class Member will be bound for purposes of the Settlement in this Action by the releases set forth in this Settlement.

53. Opt-Out Provisions – The Class Notice shall provide that Class Members who wish to opt-out of the Settlement must send a written notice to the Settlement Administrator

requesting to opt-out of the Class on or before the applicable Opt-Out Deadline. Such written notice to opt-out (1) must contain the name, address, social security number of the person seeking to opt-out, and home telephone number, if any; (2) must be returned to the Settlement Administrator at the specific address referenced in the Notice; (3) and must be postmarked (if mailed) or received (if otherwise delivered) by the Settlement Administrator on or before the applicable Opt-Out Deadline. Any Class Member who properly requests to opt-out will not be entitled to receive a Claim Share and will not be bound by the Settlement or have any right to object, appeal, or comment thereon. Prior to the Claims Deadline, any Class Member who has elected to opt-out may withdraw that election by notifying the Settlement Administrator in writing that he or she wishes to be a Settlement Class Member.

54. Class Members who choose not to opt-out shall have seventy-five (75) calendar days from the mailing of the Class Notice and Claim Form to submit their completed and signed Claim Form to the Settlement Administrator (Claims Deadline). The Claim Form must be postmarked by the Claims Deadline if delivered to the Settlement Administrator by postage pre-paid U.S. first-class mail. If delivered by means other than mail, it must be received by the Settlement Administrator on or before the Claims Deadline. The Claim Form must be signed and/or timely returned by the Class Member. Class Counsel and Defendant's Counsel may mutually agree, but need not, in their respective sole discretion, to accept late-filed Claim Forms that are received prior to the Effective Date. Any Claim Form (1) not postmarked by the Claims Deadline, (2) not received by the Settlement Administrator by the fifth (5th) calendar day after the Claims Deadline; (3) not received by other means by the Settlement Administrator by the Claims Deadline; or (4) not signed by the Class Member is not considered a valid Claim Form. Any Claim Form that is not considered timely and valid will not be funded by Defendant, unless the Parties otherwise agree to treat it as valid.

55. Claim Form Disputes – If a Class Member disagrees with any of the information listed on his or her Claim Form concerning the Piece Rate Hours included on the Claim Form, the Class Member may dispute such information by returning a signed Claim Form with a statement containing the information the Class Member believes is correct. In addition, the Class Member may attach documents to the Claim Form to support his or her dispute. The Claim Form with the disputed information and any documents must be received by the Dispute Deadline. The Claim Form must include a telephone number to be used to contact the Class Member if

necessary. Class Counsel and Defendant's Counsel shall jointly and expeditiously consider the dispute and any relevant evidence. Any and all disputes which cannot be resolved by Class Counsel and Defendant's Counsel shall be submitted to the Court at the time of the Final Approval Hearing for resolution by the Court.

56. Class Members who fail to submit a valid and timely request to opt-out or a timely and valid Claim Form shall be bound by all terms of the Settlement and any Final Judgment entered in the Action if the Settlement is finally approved by the Court.

57. The Settlement Administrator shall provide updates to Class Counsel and Defendant's counsel at least every two weeks of (1) the number of undeliverable notices/forms; (2) the number and names of any opt-outs; (3) any disputes by Class Members; (4) Claim Forms that do not comply with the claims process; and (4) the number of Claim Forms received and the amount and percentage of the Net Settlement Amount claimed.

58. Within fifteen (15) days after the close of business of the Claims Deadline, the Settlement Administrator will provide to Class Counsel and Defendant's counsel a declaration including a statement of due diligence and proof of mailing of the Class Notice and Claim Form to the Class Members, a statement as to the number of Claim Forms received and the amount and percentage of the Net Settlement Amount claimed, and a statement as to the number of opt-outs received. Class Counsel shall provide this information to the Court within its Motion for Final Approval of this Settlement.

59. Calculation of Claim Shares – The calculation of Claim Shares for all Class Members by formula does not imply that the factors included in the formula comprise all of the elements of damages alleged in the Action and further does not imply that those alleged damages are not being taken into account by this arithmetic method. The formula was devised as a logistical tool to simplify the claim process and as part of the compromise entered into between the Parties relative to the Settlement. The calculation is as follows, and is based upon the information provided to the Settlement Administrator by Defendant: each Class Member's Claim Share shall be calculated by first dividing his or her Piece Rate Hours by the sum total of all Class Members' Piece Rate Hours. This calculation will result in a percentage figure for each Class Member (the "Percentage Figure"). The Percentage Figure will then be used to determine each Class Member's portion of the Net Settlement Amount by multiplying the Percentage Figure to the Net Settlement Amount. This portion is referred to as the "Claim Share." If the total

amount claimed is under 75% of the Net Settlement Amount, then the additional amounts up to 75% shall be distributed pro rata to the timely claims in proportion to their Claim Shares.

60. For purposes of computing the Claim Share initially for purposes of sending the Claim Form, the Settlement Administrator shall use the estimated Employer Taxes for all Members of the Class in computing the Net Settlement Amount. For purposes of computing the Claim Share after the Final Approval Hearing, the Settlement Administrator shall use the actual Employer Taxes for all Settlement Class Members in computing the Net Settlement Amount, or Settlement Proceeds. In calculating the initial Claim Share, the Settlement Administrator shall assume a 100% claim rate. The Class Notice shall advise Class Members that their Claim Share or Individual Settlement Payment is an estimate based on a 100% claim rate, and that the actual amount payable to each Class Member may be higher depending on various factors, such as the number of opt-outs, the amount claimed, the number of Class Members, and the Court's rulings on other matters.

61. The Settlement Administrator shall provide initial calculations of the Claim Shares for each Class Member to Class Counsel and Defendant's Counsel prior to preparation of the Claim Form and mailing thereof to the Class. Class Counsel and Defendant's Counsel shall review the computations to ensure that they are consistent with the terms of the Settlement. In the event that any dispute exists between the Parties as to whether or not the Claim Shares have been calculated consistent with the Settlement, Class Counsel and Defendant's Counsel shall seek to resolve any and all disputes in an informal fashion between themselves or, if they are unable, they shall submit the unresolved disputes to the Court. The Claims Shares payable to Settlement Class Members shall be provided to Class Counsel and Defendant's Counsel within fifteen (15) calendar days after the Claims Deadline. This report shall also certify what Claim Forms were timely and completely filed.

62. The Parties agree that, for tax purposes, the Individual Settlement Payments shall be treated as follows: 33.33% shall be treated as payment for wages and shall be reported on an IRS Form W-2, 66.67% shall be treated as payment for general damages and interest, and shall be reported on an IRS Form 1099.

63. The Settlement Administrator shall be responsible for issuing and mailing the checks for the court-approved Claim Share payments to the Settlement Class Members.

64. If there are sufficient funds deposited by Defendant with the Settlement Administrator or in the settlement fund to pay all obligations under this Settlement, the Settlement Administrator will prepare and mail all necessary checks to the appropriate persons and entities within seventy-five (75) calendar days of the Settlement Effective Date.

65. The Settlement Administrator shall be responsible for distributing the payments pursuant to this Settlement. The Settlement Administrator will submit to Class Counsel for filing with the Court proof of all payments made from the Settlement fund with the Court, and will serve all counsel with a copy of the same, within sixty (60) days of the Settlement Effective Date.

66. Participating Class Members shall have a period of 90 days after the mailing by the Settlement Administrator to cash or deposit their Individual Settlement Payment checks. If a Participating Class Member fails to cash or deposit his or her check within this Check Cashing Period, the Settlement Administrator will cancel the check, and distribute the funds as set forth in Section III.

VI. RELEASE OF CLAIMS

67. Released Claims by Class Representative: In consideration of the awarded Class Representative Payment and the other terms and conditions of the Settlement, and understanding that there is a *bona fide* dispute regarding wages they may be owed, among other things, Plaintiff irrevocably releases and discharges Defendant and its former and current parents, subsidiaries, and affiliated corporations, their officers, directors, employees, partners, shareholders, agents, insurers, employee benefit plans, and any other successors, assigns, or legal representatives ("Released Parties"), from all known and unknown claims, promises, causes of action, or similar rights of any type that he, she or they presently may have with respect to any Released Party ("Released Claims.") The Released Claims might arise under many different foreign, domestic, national, state, or local laws (including statutes, regulations, other administrative guidance, and common law doctrines), such as federal and state anti-discrimination statutes, and other laws such as those providing recourse for alleged wrongful discharge, tort, personal injury, emotional distress, fraud, negligence, defamation, and similar or related claims, as well as those related to compensation, pay deductions, tax treatment of earnings, wage disputes of any nature (including those pursuant to the Fair Labor Standards Act), penalties, liquidated damages, punitive damages, attorneys' fees, benefits, and family and medical leave rights. Plaintiff's release

includes all claims that were made, or could have been made, against the Released Parties in the Action. This Release does not release any claims that the law does not permit Plaintiff to release. Plaintiff agrees to promptly pay and to indemnify and hold the Released Parties herein harmless from and against any and all loss, cost, damage or expense, including without limitation, attorneys' fees, interest, assessments, and penalties, arising out of any dispute over the tax treatment of any of the proceeds received by Plaintiff as a result of this Release.

68. Released Claims by Class Members: In consideration of their Individual Settlement Payments and the other terms and conditions of the Settlement, and recognizing that there is a *bona fide* dispute regarding wages owed, among other things, each Participating Class Member (including the named Class Representative) will irrevocably release and discharge Defendant and its former and current parents, subsidiaries, and affiliated corporations, their officers, directors, employees, partners, shareholders, agents, insurers, employee benefit plans, and any other successors, assigns, or legal representatives ("Released Parties"), from any and all claims raised in the Action from May 11, 2015 through May 31, 2018, including claims for allegedly unpaid non-productive time (i.e., orientation time, training time, and traveling between orchards or fields, weather delays, delays related to movement of equipment) under RCW 49.46 *et seq.*, including 49.46.020 and 49.46.090, double damages pursuant to RCW 49.52.050,070, and any and all other wage and hour claims arising from the facts and causes of action alleged in the Complaint. This Release does not release any claims that the law does not permit each Participating Class Member to release. Each Participating Class Member is responsible for appropriately reporting the proceeds received as a result of this Release on his/her taxes, and agrees to hold the Released Parties harmless with respect to any dispute arising from or related to such reporting.

69. Additional Attorneys' Fees and Costs Released by Class Counsel: In consideration for their Court-approved attorneys' fees and expenses, Class Counsel waives any and all claims to any further attorneys' fees or costs in connection with the Action.

VII. NO RETALIATION

70. Defendant agrees that that it will not engage in discrimination or retaliation of any kind against the Class Representative or any family members associated with him or her who are employed by Defendant as a result of filing this action, or for giving testimony, assistance or

participating in any manner in an investigation, proceeding or a hearing pursuant to this action, or any Class Member for choosing to participate or not to participate in this Settlement.

VIII. CONFIDENTIALITY

71. Plaintiff and Class Counsel agree that they will not issue any press releases, initiate any contact with the press, respond to any press inquiry or have any communication with the press about the Action, or the fact, amount or terms of the Settlement.

72. Plaintiff and Class Counsel agree that they will not engage in any advertising or distribute any marketing materials relating to the Settlement that identifies Defendant, including but not limited to any postings on any websites maintained by Class Counsel. Class Counsel shall be permitted to make reference to the Settlement, without identifying Defendant by name. In connection with submitting declarations concerning adequacy in other cases, Class Counsel may identify the case number, provide a description of the case and resolution, and confirm the fact that they were approved as Class Counsel.

73. Any communication about the Settlement to Class Members by Class Counsel or Plaintiff prior to the Court-approved mailing will be limited to a statement that a settlement has been reached and the details will be communicated in a forthcoming Court-approved Notice.

74. Defendant shall have the right to rescind this Settlement, rendering it null and void, if Plaintiff or Class Counsel violate the obligations in this Section VIII.

IX. NO EFFECT ON OTHER BENEFITS

75. The Parties agree that the calculations made regarding the Settlement amounts and the pro-ration of the same among the Class Members, are for purposes of this Settlement only, and do not give rise to any other rights under any benefit plans or otherwise.

76. Payments under this Settlement shall not be considered compensation under any of Defendant's employee benefit plans.

X. DUTIES OF THE PARTIES PRIOR TO COURT APPROVAL

77. Cooperation: The Parties and their counsel agree to cooperate and take all steps necessary and appropriate to obtain preliminary and final approval of this Settlement, to effectuate its terms, and to dismiss the Action with prejudice. The Parties further agree that neither they nor their counsel will solicit or otherwise encourage Class Members to object to or request exclusion from the Settlement.

78. Fair, Reasonable and Adequate Settlement: The Parties agree that the Settlement is fair, reasonable and adequate and will so represent to the Court.

79. Unopposed Motion for Preliminary Approval of Settlement: Class Counsel will move the Court for an Order Granting Preliminary Approval of the Settlement and Notice substantially in the following form, which Defendant shall not oppose:

- (a) Setting a date for a fairness hearing on the question whether the proposed Settlement should be finally approved as fair, reasonable and adequate as to the Class;
- (b) Approving as to form, content and distribution of the proposed Notice;
- (c) Directing the mailing of the Notice to the Class Members;
- (d) Preliminarily approving the Settlement;
- (e) Preliminarily certifying a class consisting of Plaintiff and Class Members for purposes of Settlement only;
- (f) Approving Craig Ackermann, India Bodien, and Tatiana Hernandez, and their respective law firms, as Class Counsel; and
- (g) Approving the Parties' mutually agreed-upon Settlement Administrator as the third-party administrator for the Class.

XI. DUTIES OF THE PARTIES FOLLOWING FINAL COURT APPROVAL

80. Following final approval of the Settlement by the Court, Class Counsel will submit a proposed Final Judgment substantially in the following form:

- (a) Certifying a Settlement Class consisting of Plaintiff and Participating Class Members for purposes of Settlement only;
- (b) Approving the Settlement, adjudging the terms to be fair, reasonable and adequate, and directing consummation of its terms and provisions;
- (c) Approving the Class Representative Payment to the Named Plaintiff;
- (d) Approving the payment of attorneys' fees and expenses to Class Counsel;
- (e) Entering Final Judgment and permanently barring all Participating Class Members and Plaintiff from prosecuting any and all Released Claims against the Released Parties as set forth above.

XII. PARTIES' AUTHORITY

81. The respective signatories to the Settlement represent that they are fully authorized to enter into this Settlement and bind the respective Parties to its terms and conditions.

XIII. MUTUAL FULL COOPERATION

82. The Parties agree to cooperate fully with each other to accomplish the terms of this Settlement, including but not limited to, execution of such documents and to take such other action as may reasonably be necessary to implement the terms of this Settlement. The Parties shall use their best efforts, including all efforts contemplated by this Settlement and any other efforts that may become necessary by order of the Court, or otherwise, to effectuate the terms of this Settlement. As soon as practicable after execution of this Settlement, Class Counsel shall, with the cooperation of Defendant and its counsel, take all steps necessary to secure the Court's Final Judgment.

XIV. NO PRIOR ASSIGNMENTS

83. The Parties represent, covenant, and warrant that they have not directly or indirectly, assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity any portion of any liability, claim, demand, action, cause of action or right released and discharged in this Settlement.

XV. NO ADMISSION

84. Nothing contained in this Settlement shall be construed or deemed an admission of liability, culpability, negligence, or wrongdoing on the part of Defendant. Defendant denies any such liability. Each of the Parties has entered into this Settlement with the intention to avoid further disputes and litigation with the attendant inconvenience and expenses.

85. This Settlement is a settlement document and shall be inadmissible in evidence in any proceeding, except an action or proceeding to approve, interpret, or enforce its terms.

XVI. ENFORCEMENT ACTIONS

86. In the event that one or more of the Parties institutes any legal action against any other party or Parties to enforce the provisions of this Settlement or to declare rights and/or obligations under this Settlement, the successful party or Parties shall be entitled to recover from the unsuccessful party or Parties reasonable attorneys' fees and costs, including expert witness fees and costs incurred in connection with any enforcement actions.

XVIII. VOIDING THE AGREEMENT

88. If this Settlement is not approved, or if the Court's Final Judgment is materially modified on appeal, then this Settlement will become null and void, no payment under this Settlement will be made, and the Settlement shall not be used nor be admissible in any subsequent proceeding either in this Court or in any other Court or forum, nor shall there be any certification of the Class, as it is being requested here solely for the purposes of this Settlement. If there is any reduction in the attorneys' fee award and/or costs requested, such reduction may be appealed as set forth below but is not a basis for rendering the Settlement voidable and unenforceable.

XIX. CONSTRUCTION

89. The Parties agree that the terms and conditions of this Settlement are the result of intensive arm's-length negotiations between the Parties and that this Settlement shall not be construed in favor of or against any Party by reason of the extent to which any Party or his, her or its counsel participated in the drafting of this Settlement.

XX. CAPTIONS AND INTERPRETATIONS

90. Paragraph titles or captions contained in this Settlement are a matter of convenience and for reference, and in no way define, limit, extend, or describe the scope of this Settlement or any provision. Each term of this Settlement is contractual and not merely a recital.

XXI. MODIFICATION

91. This Settlement may not be changed, altered, or modified, except in writing and signed by the Parties, and approved by the Court.

XXII. INTEGRATION CLAUSE

92. This Settlement contains the entire agreement between the Parties, and, once it is fully executed, all prior or contemporaneous agreements, understandings, representations, and statements, whether oral or written and whether by a Party or such Party's legal counsel, relating to the resolution of the Action, are merged in this Settlement. No rights under this Settlement may be waived except in writing.

XXIII. BINDING ON ASSIGNS

93. This Settlement shall be binding upon and inure to the benefit of the Parties and their respective heirs, trustees, executors, administrators, successors and assigns.

XXIV. CLASS COUNSEL SIGNATORIES

94. It is agreed that it is impossible or impractical to have each Class Member execute this Settlement. The Notice will advise all Class Members of the binding nature of the release. Excepting only the Class Members who timely submit a Request for Exclusion, the Notice shall have the same force and effect as if this Settlement were executed by Plaintiff and each Class Member with regard to the Release of Claims recited in Section VI. By signing below, the Class Representative shall be deemed to have submitted a timely and valid Claim Form without the need for a further Claim Form to be submitted, and the Class Representative shall waive her right to opt-out of, or object to, the Settlement.

XXV. COUNTERPARTS

95. This Settlement may be executed in counterparts, and when each Party has signed and delivered at least one such counterpart, each counterpart shall be deemed an original, and, when taken together with other signed counterparts, shall constitute one Settlement, which shall be binding upon and effective as to all Parties.

XXVI. RIGHT OF APPEAL

96. The Parties agree to waive all appeals from the Court’s Final Judgment of this Settlement, unless the Court materially modifies the Settlement; provided, however, that Plaintiff may appeal any reduction in the requested amount of attorneys’ fees and/or costs, or Class Representative Payment.

XXVII. CLASS CERTIFICATION

97. The Parties agree that the stipulation of class certification is for the purposes of this Settlement only and if for any reason the Settlement is not approved, the Settlement will be of no force or effect, the class will not be certified and no payment will be made. The Parties agree that certification for settlement purposes is in no way an admission that class certification is proper and that evidence of this stipulation for settlement purposes only will not be deemed admissible in this or any other proceeding.

XXVIII. RIGHT OF REVOCATION

98. In the event that more than 5% of the Class Members request exclusion from the Settlement, Defendant has the right to void the Settlement in its entirety. The Settlement Administrator will notify Defendant of the total number of opt-outs within (14) days after the deadline for the submission of Requests for Exclusion. Defendant shall then have ten (10) days thereafter to notify the Settlement Administrator and Class Counsel of its election to void the Settlement, after which the election shall be waived.
